Hi Michael:

Below is a response back from PHJA regarding the estimate given to them for their records request. The estimate sent to them is attached. I contacted Angela Dallesandro & Lou Pearson replied back that Chief Jenkins has agreed to waive the Police Dept. fee for this request. Since I noticed I.T. also had a separate fee, please let me know if you are willing to waive yours as well. If so, please begin work on the request and let me know if anything comes up as far as records. If you do not wish to waive your fee, let me know as well. Thanks.

PHJA objects to the fee demands made by your agency in response to PHJA's public records request. This is a very simple public records request, which should only take a few minutes to fulfill. As you know, the requested records are subject to disclosure and readily available. Please reconsider your position and provide the requested records without further delays, demands or conditions.
