NARRATIVE

On above date and time the defendant fled from a shots fired scene driving a vehicle. Lt. Campbell arrived on scene and observed the defendant driving away from the shooting scene. Lt. Campbell activated all emergency equipment and pulled in front of the defendant's vehicle in an attempt to block him and make him stop.

The defendant floored his vehicle and was able to swerve around Lt. Campbell's patrol car. The defendant nearly struck the Lt's car. Lt. Campbell could see the driver as he fled past him. Lt. Campbell positively identified the defendant as the driver of the vehicle.

The defendant fled west on 45th Street with Lt. Campbell and Adamson chasing behind him with lights and sirens. He then turned north onto 43rd avenue at a high rate of speed. The defendant then turned east on 48th Street and drove to the end of the road which dead ended into woods. The defendant drove straight into the woods about 40 feet crashing through the woods. The defendant then stopped the car and fled on foot from the vehicle. The defendants license was left on the driver's seat.

A perimeter was set up and K-9 was deployed. A short time later the defendant was found hiding in the rear yard of a house inside the perimeter. K-9 Deputy Mathisen and his K-9 partner Marco found the defendant. The defendant while attempting to get away punched K-9 Deputy Marco in the right eye causing injury to the dogs eye.

A shotgun was found at the rear of the vehicle with a spent round in the chamber.
