Subject: Request for demo of drone defense

Scott,
It was nice visiting with you, and we appreciate you reaching out. I understand that you have already been in contact with Lt. Scheurer from the Bismarck Police Department so I cc'd him on this email. I have also cc'd Brandon Hoechst of the ND Department of Emergency Services logistics section. There may be potential for a demonstration here for your drone defense technology but I am not the person who would coordinate the effort. I will let the Lt. and Mr. Hoechst work with you on any coordination that would occur regarding product information and demonstrations. In addition, I believe that we would be interested in any research that has been done relating to this product and ensuring our citizens civil liberties are protected. Thanks again for reaching out and I will also list your phone number for reference: [redacted]. Have a great day.

Darin Hanson
