Frank,

I just heard your voicemail. We don't oppose your request for an extension of time.

We heard from Charles Case last week that Duke/Progress are interested in working on a Consent Judgment to resolve this matter. DENR's General Counsel, Lacy Presnell, is taking the lead on arranging a meeting to start the discussions.

I am copying Lacy on this e-mail so that you will have his e-mail address as well.

Thanks,

Kathy Cooper

Kathryn:

As you know, our law firm represents the defendant in this case. As I indicated in my voice mail message just now, we will today request from the Wake County Superior Court Clerk a 30 day extension of time within which to answer or otherwise plead in response to the your client's complaint. The extension we request will run from the end of the time allotted by the Rules. We look forward to working with you in this matter.

Best.
