Hi Shannon,

I am working on the requests you had submitted for previously released records pertaining to A-2012-00274 and A-2012-00076. I was wondering if you could confirm with me if these files are from the former CIDA or if we at DFATD (former DFAIT) had produced the records? If you are unable to confirm this could you please send me the text for each request.

Thank you,

Nancy Belanger

Hi Shannon,

I was wondering if you would be able to send me the wording of the text for each of these files, it would make searching our data base for these files easier.

Thanks,
