Hi Diana
The RMOW SOFI report for 2013 is not available until July 2014. Also when it becomes available it will be in the public domain.

I thought from our conversation this morning that you wanted the expense information from January 1, 2013 to June 30, 2013 for staff who make over \$75,000 per year? This information is currently not in the public domain.

Please note that this expense information would include travel, meals, accommodation, conference fees, training, etc. It will not include purchase of supplies, computers, etc.

Please let me know how you want to proceed.
