Dear Ms. Miller:

This letter is in response to your letter in which you requested a review of the Publication Review Committee's decision to disapprove the publication *Human Kindness Foundation: A Little Good News* for receipt by inmates.

During our review and inquiry, it was determined that this publication, even though it does mention violence, it predominately discourages the mentioned violence. Furthermore, it encourages and teaches that one should restrain from violence. Thus, the decision by the Publication Review Committee is overturned. You may re-submit the publication *Human Kindness Foundation: A Little Good News* directly to the prison facility that rejected it. The prison facility knows the inmate(s) who they denied receipt of the publication and will now allow the inmate(s) to receive it.

Thank you for bringing your concerns to my attention.

Sincerely,

Cynthia Bostic, Assistant Director
