NATIONAL CALENDAR

| Event | Background | Date | Where? |
|--|---|--------------------|---|
| My History Educational Tour | As part of legacy education, contributing to social cohesion and ensuring that youth understand and appreciate their history. Pupils from different schools will participate in a cultural and historical tour of all the monuments related to the 1976 youth uprisings and a social dialogue. | 07 June | Soweto, Gauteng |
| Social Dialogues | We will be hosting social dialogues in the Eastern Cape and Western Cape to discuss and build a broad-based consensus on the priority issues facing young people. | 12 and 13 June | Eastern and Western Cape |
| Loxion Hub | On the 14th of June the NYDA will be launching a Loxion Hub in Prieska, rural Northern Cape. This Loxion Hub is already providing business premises to youth-owned co-operatives involved in jewellery design, glass bead manufacturing and jewellery making. These business premises have been provided to young entrepreneurs free of charge through a partnership between the NYDA and the local municipality. | 14 June | Prieska, Northern Cape |
| Social Dialogue | The NYDA will be in De Aar, Northern Cape hosting a social dialogue on '20 years of democracy' and what this means to young people. | 15 June | De Aar, Northern Cape |
| Opening of Youth Agricultural Development Co-operative | During the month of June the President will also be opening a Youth Agricultural Development Co-operative in Uthungulu, KZN together with the NYDA and the district municipality. | To be communicated | Uthungulu, KZN |
| Youth Day Commemoration | The main event where President Jacob Zuma will address the nation on the 16th day of June to commemorate the 38th anniversary of the 1976 youth uprisings will take place at the Galeshewe Stadium in Kimberley, Northern Cape. | 16 June | Provisionally Galeshewe Stadium, Kimberley, Northern Cape |
| Launch of the South African Youth Development Institute | And finally, on the 23rd of June we will launch the South African Youth Development Institute in partnership with the University of Johannesburg as an institute focused primarily on driving research in matters of youth development. It will be the first of its kind in the country. | 23 June | University of Johannesburg, Gauteng |
