GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:									
As a result of this shooting, the MPD's Homicide Branch initiated an investigation. As a result, several witnesses were interviewed. One witness was interviewed and will hereinafter be referred to as W-1. W-1 advised while in the area of the 1500 block of Gallatin Pl., NE, IT heard what sounded like a traffic accident in the block. W-1 observed a BMW that had struck a light pole and a parked vehicle on the street. As W-1 exited IT's location, IT observed the front passenger's door of the BMW open. Upon moving closer to the BMW, IT observed that only the driver occupied the vehicle and the driver's door was closed. W-1 advised that it was apparent that the driver was injured and 911 was contacted.									
Your affiant observed a significant amount of blood inside the vehicle that included the driver's seat along with blood spatter located on the back seat and left rear window of the vehicle. Your affiant also observed that all of the vehicle's windows were closed, except for the driver's window, which was down slightly. It appeared that the decedent sustained a gunshot wound to his head behind his right ear while seated in the driver's seat of the vehicle, suggesting the gunman was also inside the vehicle when the

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED: fatal shot was fired. The BMW was subsequently towed to the Consolidated Forensic Lab for the District of Columbia where a District of Columbia Superior Court search warrant was executed. Several items of evidence were recovered from within the vehicle, to include a gray T-Mobile cellular phone, which was determined to belong to the decedent. A forensic examination was subsequently conducted on the decedent's cellular phone and revealed that the decedent made several calls to an individual listed as Kev with the number of 202-765-9767 shortly before his demise. The last call to this number was at approximately 07:33 pm which is 6 minutes before the initial 911 call to police. Additionally, a series of text messages were exchanged between the decedent and the individual listed as Kev. The content of the text messages suggests that the decedent was upset that Kev "fucked him over", demanding repayment of monies owed or he would seek payment from Kev's family. The responses from Kev suggested that Kev would pay him that evening around 7:00 pm, but took offense to the decedent's comments about

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:									
<p>On March 13, 2014 your affiant along with Detective Branson made contact with Kevin Boykins at his home in Mt Rainier Maryland. Boykins stepped into the hallway of his building and voluntarily entered into a conversation. Boykins mentioned that he spoke with an attorney and wished to bring him to our office for a formal interview in the coming weeks. Boykins then offered that he did see the decedent around 7:00 pm on the night he was killed at Fort Totten Metro Station. Boykins stated that he took the subway to that location to pay the decedent money that he owed. Boykins stated that the decedent was upset because it took him awhile to pay. Boykins stated that the decedent didn't say where he was going only that he was upset and counted his money and left. Boykins stated that he got back onto the subway went directly home via West Hyattsville station the same way he came.</p> <p>Your affiant reviewed the call records with cell site information that was previously obtained and referenced in the affidavit to validate Boykins' account for his route of travel. The cell site data indicated that it is possible that Boykins traveled to the Fort Totten Metro as he indicated.</p>

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED: However, his route of travel after the time he indicated he left the decedent is not consistent with traveling back the way he came. In fact, the tower information shows movement from the sector that contained the Metro station, into the sector where the murder occurred just minutes prior to the initial 911 call, as previously stated above. Based on the facts and circumstances, this affiant requests that a District of Columbia Judge issue an Arrest Warrant for the Defendant Kevin Boykins charging him accordingly.
