Pursuant to the original report, the following information is pertinent. On Monday, 08/11/2014 @ 0900hrs, I was assigned to this investigation.

had just come out of the restroom and returned to the counter where she observed Brown tell , that he (Brown) wanted several boxes of cigars. As was placing the boxes on the counter, Brown grabbed a box of Swisher Sweet cigars and handed them to Johnson who was standing behind Brown. witnessed tell Brown that he had to pay for those cigars first. That is when Brown reached across the counter and grabbed numerous packs of Swisher Sweets and turned to the leave the store. then calls "911". Meanwhile, comes out from behind the counter and attempts to stop Brown from leaving. According to was trying to lock the door until Brown returned the merchandise to him. That is when Brown grabbed by the shirt and forcefully pushed him back in to a display rack. backed away and Brown and Johnson exited the store with the cigars.

I then had the opportunity to review a copy of the video surveillance footage which captured the following events. The date and time stamps correspond to the video footage provided. The entire incident takes place on Saturday, 08/09/2014 between 11:52:58hrs and 11:54:00hrs.

Camera 3 - Exterior camera mounted on southwest corner of building, pointed east to record side of building and parking lot

Camera 6 - Interior camera mounted on ceiling to record entry/exit doors

Camera 7 - Interior camera mounted on ceiling to record counter/register

The video reveals Brown enter the store followed by Johnson. Brown approaches the register with Johnson standing behind him. can be seen in the background walking from the restroom to behind the counter. Brown hands a box of Swisher Sweets to Johnson. An apparent struggle or confrontation seems to take place with Brown, however it is obscured by a display case on the counter. Meanwhile, Johnson sets the box he was handed back on the counter. Brown turns away from the counter with another box of Swisher Sweet cigars and walks towards the exit door. then comes out from behind the counter, with what appears to be a set of keys in his hands. then stands between Brown and the exit door. Brown, still holding a box Swisher Sweets in his right hand, grabs by his shirt with his left hand. Brown aggressively pulls in close to him and then immediately pushes him back in to a display rack. Johnson continues out the door and out of camera frame. no longer between Brown and the door, stops and watches Brown as he walks towards the exit door. Brown then abruptly turns back around and advances on Brown towers over appearing to intimidate him. Brown then turns back around and walks out of camera view.

It is worth mentioning that this incident is related to another incident detailed under Ferguson Police Report # 2014-12391 as well as St. Louis County Police Report # 2014-43984. In that incident, Brown was fatally wounded involving an officer of this department. I responded to that scene and observed Brown. After viewing Brown and reviewing this video, I was able to confirm that Brown is the primary suspect in this incident. A second person, also at that scene, identified himself as being with Brown. That person was later identified as Dorian Johnson. After observing Johnson and reviewing the video, I confirmed he is the second suspect in this incident.
