.....

## Protecting Women & the Unborn.

**Before Governor Tom Corbett was elected, abortionists like Kermit Gosnell had almost no oversight in Pennsylvania.**

But under Governor Tom Corbett, Pennsylvania is now ranked one of the top five **“Most Protective States for Life”** by Americans United for Life. <sup>4</sup> It was Governor Corbett who signed legislation requiring abortion facilities to comply with strict regulatory and inspection standards – just like surgery centers. <sup>7</sup>

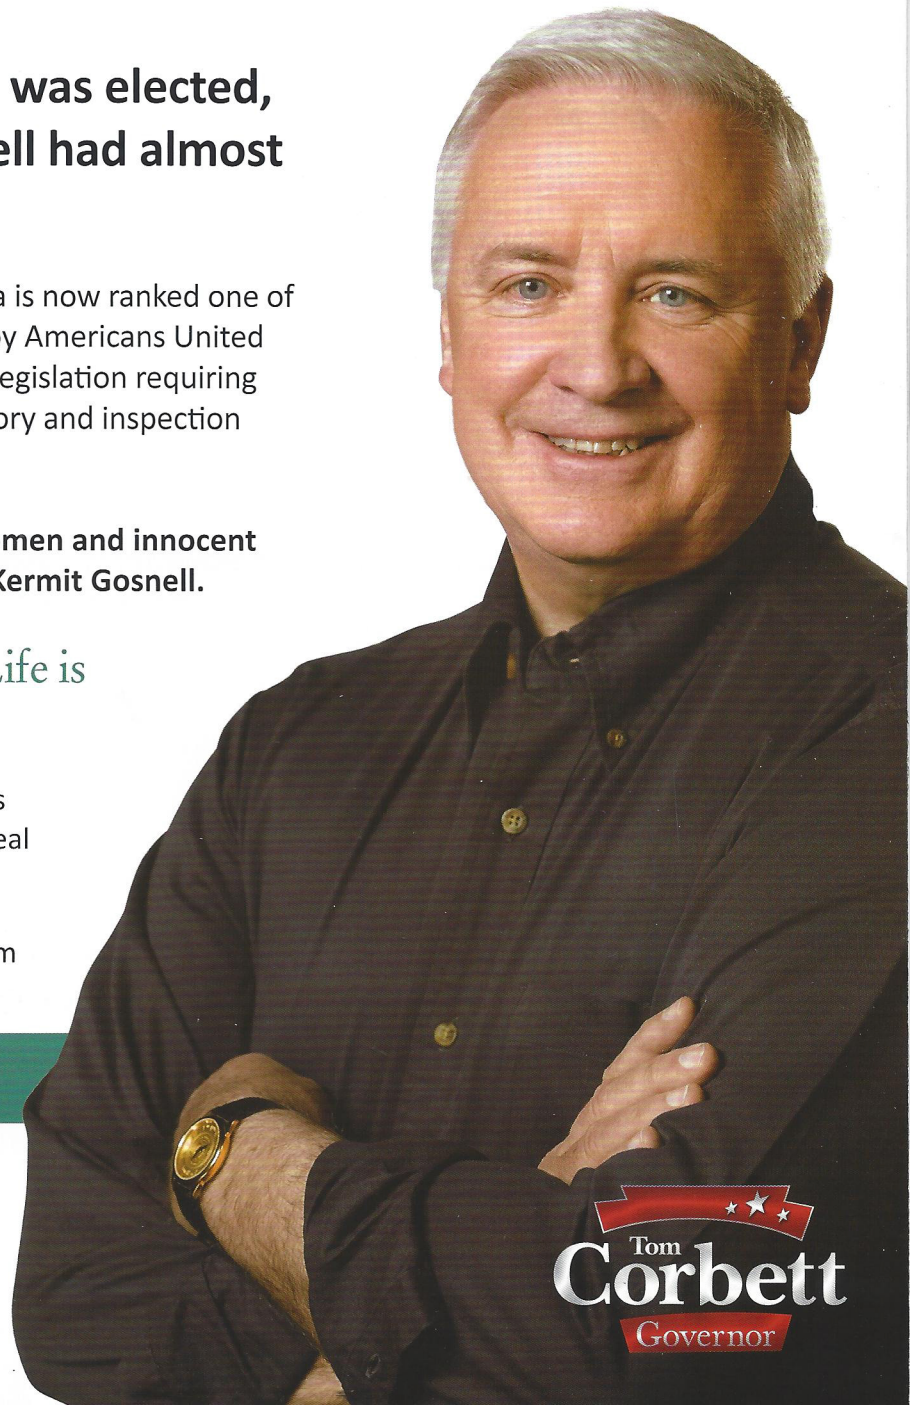

**Governor Corbett’s laws will help protect women and innocent human life from actions like those taken by Kermit Gosnell.**

Protecting Women and Innocent Life is a Priority for Governor Corbett:

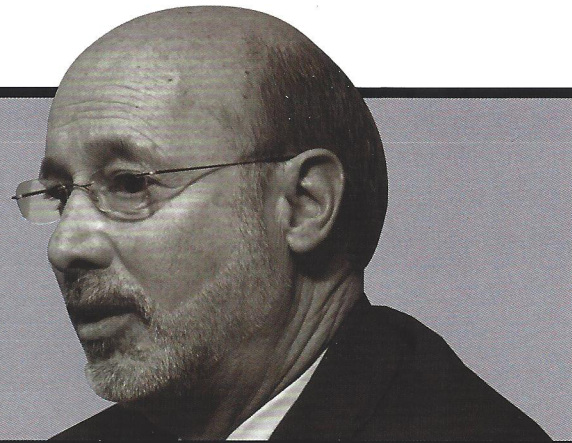

- He worked to empower Pennsylvania mothers to find alternatives to abortion through the Real Alternatives program.
- He signed legislation blocking Obamacare from using taxpayer funds to pay for abortions.

## PUSHING A DANGEROUS PRO-ABORTION AGENDA

Tom Wolf proudly promotes the endorsement of NARAL, the National Abortion Rights Action League.<sup>1</sup> Pro-abortion groups aggressively fought against common sense pro-life legislation signed into law by Governor Corbett.<sup>8</sup>

Wolf promises to continue fighting against Pennsylvania's new law that requires enhanced safety standards and regular inspections of abortion clinics, and another that blocks Obamacare from using taxpayer funds to pay for abortion coverage.<sup>2</sup>

They want to turn back the clock to the days when abortionists like Gosnell were able to commit atrocities without oversight.

### PENNSYLVANIA'S WOMEN & UNBORN CHILDREN WILL BE AT RISK IF TOM WOLF IS ELECTED GOVERNOR.

## GOSNELL'S “HOUSE OF HORRORS”

“They were shoving body parts down the garbage disposal,” said investigator Taggart. “To the point where they plunged it one day and an arm popped out on Lancaster Avenue.”<sup>6</sup>
