Narrative.....

On 11/20/2014 at 10:29am, Officers D. Martinez #1280 and S. Morgan #1149 were dispatched to Richardson High School located at 1250 W Belt Line Rd., Richardson, Dallas County, Texas, in reference to a sexual assault.

Officer Martinez contacted [REDACTED] by phone. [REDACTED] stated her daughter, a 16 year old juvenile female attends Richardson High School. The 16 year old juvenile female was being harassed by James Lester Quigley w/m, 01/31/1980, who is an English teacher at Richardson High School. [REDACTED] told Officer Martinez this had been going on since March of last year but she found out about the situation earlier this week. [REDACTED] said Quigley sent her daughter multiple text messages and emails inviting the 16 year old juvenile female to go out with him to the movies and telling her they can be "friends with benefits". The 16 year old juvenile female reported the incident to school personnel earlier this week and she provided them copies of the text messages and e-mails Quigley had sent her. [REDACTED] called the police because she wanted to follow up on the case.

Officer Martinez responded to Richardson High School and contacted SRO T. Evans #708. SRO Evans pulled the 16 year old juvenile female out of class to speak with the officers. Officer Martinez contacted the 16 year old juvenile female who stated around March of last year Quigley, who was her English teacher, requested her e-mail address and phone number so he could send her details on an essay she had to turn in. Since then, the 16 year old juvenile female has been receiving e-mails from Quigley saying she was "pretty" and she had a "pretty neck" and other non-school related communications. Quigley then started texting and calling the 16 year old juvenile female throughout the year. The 16 year old juvenile female said in May or June of 2014, Quigley arrived at her house located at [REDACTED], with a hotdog for her dog. The 16 year old juvenile female opened the door to see what Quigley wanted. Quigley then hugged her and kissed her forehead. Quigley touched her "butt" while he was hugging her. The 16 year old juvenile female said Quigley parked in front of her house on multiple occasions for no reason. On a separate occasion, Quigley told the 16 year old juvenile female he thought about her when he touched himself. The 16 year old juvenile female was offended and did not want to deal with Quigley anymore.

Last year at school (unknown date), Quigley left the 16 year old juvenile female a note with a starburst candy on her desk that read "I would smash you into thin powder, mix you with water and drink it". The 16 year old juvenile female said she stopped attending Quigley's class and his tutoring sessions because he would always approach her and make sexual comments towards her in reference to her neck. The 16 year old juvenile female said Quigley approached her one day with a "written contract" and told her if she signed the "contract" he would give her an average of 85% or above in his class. The contract prohibited the 16 year old juvenile female from telling anyone what was happening and from getting anywhere close to Quigley's wife, Carla Quigley, who's also a teacher at Richardson High School. The 16 year old juvenile female did not sign the contract and left. The 16 year old juvenile female texted and e-mailed Quigley multiple times requesting him to stop texting and emailing her but Quigley would not comply. Quigley told the 16 year old juvenile female if she told anyone what was happening, he would destroy her future. The 16 year old juvenile female never told her mom until earlier this week because she was embarrassed and afraid.

The 16 year old juvenile female victim said her friend, also a 16 year old juvenile female, witnessed most of the text messages and e-mails Quigley sent her and she was also "hanging out" at school with Quigley. The 16 year old juvenile female believed [REDACTED] had been in a relationship with Quigley because [REDACTED] was bragging to her friends about "making out" with Quigley. [REDACTED] told her friends "his beard bothers me when his kisses me".

The 16 year old juvenile female's mother [REDACTED] brought her to the Richardson Police Department to speak with detectives. The 16 year old juvenile female was interviewed in room #5 by Detective Willadsen #958 and Detective Pagel #1074, the interview was recorded. The 16 year old juvenile female admitted to Detectives Willadsen and Pagel that she had met with Quigley on more than one occasion outside of school. The 16 year old juvenile female also stated on two occasions between May 1, 2014 and June 30, 2014
