* King currently begins and ends earlier than the other middle schools to allow the Cliff and Longisland student to board a 2:45 boat as the next boat is at 4:15. Currently the student day is 8:15- 2:25. Adding 20 minutes to the beginning of the day will still allow for dismissal in time to board the 2:45 boat. The Peaks students are not affected by the change.

For the Transportation Department to service these bell times it is imperative that all of the schools in each tier to adhere to a uniform drop off window and pick up window of 20 minutes each. Those are outlined below.
