

Dear

It is with regret that I have to write and inform you of a decision by the St. John's Junior Hockey League. A number of complains have been brought to the league over the last couple of years about your verbal comments and actions you have made to player, team officials and fans. Since 2012 members of our league have gone to bat for you to allow you to enjoy being a fan of junior hockey a number of times.

It appears that you do not appreciate what they have done for you and persist in giving Verbal comments and actions that are offensive to player and fans alike. Your actions over the past three week have not gone unnoticed by our league. Several officers have witnessed your actions and you leave us with no recourse but to ask you to refrain from attending any further games and practices of any of our teams in the St. John's Junior Hockey League.

All of our arenas and teams have been advised that you are not to be permitted to enter the buildings at any time that any of our teams play or practice while in progress from now on.

We sincerely hope that you abide by our request and please stay away.

Thanking you for your assistance in this matter.
