Sir:

On Saturday, August 7, 2010 at 0445hrs. I was notified by Officers Garmback 1582 and Guerra 579 that Non deadly force had been used during the arrest of Tamela Hart for Assault on a patrol officer, Obstruction of official business and resisting arrest. The incident happened in the street at 11209 Clifton. The following is the investigation of the UNDF.

On Saturday, August 7, 2010 at 0332hrs. a radio broadcast was given for a shooting at W111 and Detroit that resulted in a homicide. Car 1B32 Officers Garmback 1582 and Guerra 579 were assisting in the investigation by checking the area for the suspected shooter.

At 0415 hrs the officers observed a male and female walking at 11209 Clifton. The male, later identified as Michael Cross, closely matched the description of the suspect from the homicide on Detroit which is just blocks away. The officers stopped Cross and the female with weapons drawn. The male was ordered to put his hands on an auto and patted down. The male was completely cooperative and was placed in a zone car by officer Guerra.

During this time the female, later identified as Gyllian Carter, who was walking with the Cross started yelling "what did he do". Carter walked towards the officers and the zone car repeating what did he do over and over. Carter was advised numerous times to step back and she refused.

At this time a second female, later identified as Tamela Hart, came to the door of her apartment at [REDACTED] Hart started yelling "he didnt do anything" as she came off her porch and approached the officers with Carter. Officer Guerra had completed putting Cross in the car and was coming back to assist Garmback with the females who were coming at officer Garmback.

Officer Garmback determined that Carter was obstructing official business and advised her she was under arrest and attempted to grab Carter. Hart stepped between Garmback and Carter to prevent Garmback from grabbing Carter. Officer Guerra was able to grab Carter who resisted by struggling and squirmed away. Officer Guerra used joint manipulation on the left wrist to bring Carter under control. Carter was handcuffed and placed in the zone car.

As Guerra was arresting Carter Hart continued to approach attempting to help Carter. Garmback stood in her way and Hart punched him in the mouth. Garmback attempted joint manipulation but Hart was swinging wildly scratching Garmbacks face. Garmback used a headlock take down to take Hart to the ground. Hart continued to scratch at Garmbacks head as he called for assistance on the radio. Several cars responded. Guerra returned from placing Carter in the car and observed Hart scratching and fighting Garmback. Guerra delivered two hand strikes to the face and chest of Hart.

At this time the assisting cars began to arrive. Car 1B37 Officers Becka 192 and Buettner 1355 assisted in placing Hart in a zone car as she continued to kick and thrash her head wildly. Hart was placed in the zone car.

After the scene was settled Michael Cross was taken to the homicide scene and was found not to be involved. He was taken back to Clifton and released. He stated as he left "I dont know why those girls acted so crazy".

SUBJECT: Supervisor investigation regarding UNDF involving Tamela Hart

COPIES TO: Chiefs Office, Inspection unit, District files

Sgt Mitchell was on scene to investigate but was called away to complete handling the homicide scene. I was assigned to investigate the UNDF and arrived at 0445hrs. I conferred with Garmback and Guerra and obtained the basic facts.

I then interviewed Carter and Hart. Carter was apologetic stating she was worried about her friend Cross and should not have given the officers trouble.

Hart stated she had called police an hour before the incident to complain about a blocked drive. Hart thought the officers were stopping Cross in c/w that complaint and came out to tell the officers he was not involved. I informed both of them that the officers were assisting in a homicide investigation and they had no business interfering with the officers.

I then assigned car 1A33 Officers Zak 1046 and Lipinski 1656 to convey the arrested females to CPU. I followed and obtained a digital photo of both females. Carter was booked for obstructing and resisting. Hart complained of pain in her jaw and was conveyed to Charity hospital by 1A33. She was treated and released by Dr Rivera for pain in her jaw and an Xray was negative. She returned to CPU and was booked for Assault on a PO, obstructing and resisting.

At the district RMS and UNDF reports were completed and faxed. The officers then consulted the prosecutor on Carter for her misd. and papers were issued. The felony and misd. charges on Hart will be followed up by the first district detectives.

A digital photo of Garmbacks injuries taken at the first district.

The suspect in this case, Hart, moved through the action continuum not responding to commands, pulling away, active physical resistance, and striking member. The force used by arresting officers was take down by Garmback and hand strikes by Guerra.

FIR:  
RMS # 10-249357 Assault on PO/obstructing official business/resisting arrest/ arrest/ police intervention report completed faxed to report center. UNDF report completed and faxed to report center and inspections unit.

All officers on scene were listed on UNDF per departmental policy. Only Garmback and Guerra were involved in the UNDF. Officers Zak and Lipinski conveyed the suspects to CPU and the hospital. Officers Buettner and Becka assisted in getting Hart into a zone car after the use of force was completed.

In reviewing the UNDF completed by officer Guerra he noted two hand strikes he delivered to Tamela Hart who was assaulting officer Garmback. One to the face and one to the chest. Officer Garmback wrote the arrest report and stated that Guerra gave one strike to the face. I conferred with Garmback who stated he was concerned with the facts of the arrest report and missed the detail of two strikes delivered by Guerra.

Examination of all reports and facts contained herein coincide with the facts as determined by this investigation. The UNDF by the officers was necessary to make the arrest. This UNDF was well within the guidelines set forth by the division of police. No further action is recommended.

Respectfully,

Bernard Norman 9065

**NARRATIVE**

On August 8, 2010, while assigned to z/c 1B32 in company with P.O. Guerra # 579 we had the occasion to arrest Tameila E. Hart for Assault on P.O./Obstructing Official Business/Resisting Arrest and Gyllian B. Carter for Obstructing Official Business/Resisting Arrest. The following are the facts of the incident.

While touring for Homicide suspect( b/m, short, royal blue shirt and missing top front tooth) Cad #9325. Members located a male(Cross) matching the description at 11209 Clifton Ave..

Members approached male who accompanied by Arrested Female #2(Carter) with weapons drawn. Male was ordered to put hands up and on an auto.

Male complied and was putted down for officers safety. As P.O. Guerra #579 was escorting male back to our z/c, Arrested Female #2 started yelling " What did we do", Arrested Female #2 was ordered several times to step back. Meanwhile, during this Arrested Female #1(Hart) came out of her residence yelling "he didn't do anything". Arrested Female #1 and #2 were both ordered to stay back, neither were complying. Both females started walking towards z/c. Arrested Female #2 started yelling and continuing towards members. I attempted to arrest female #2 for Obstructing when she started to break away from me. At the same time, Arrested female #1 jumped between arrested female #2 and myself. P.O. Guerra # 579 after getting male (Cross) into z/c, came over and tried to arrest female #2 who then started pulling away from him. P.O. Guerra #579 attempted to put cuffs on arrested female #2 continued to squirm away and drop down under P.O. Guerra's arms. P.O. Guerra #579 ordered arrested female to stop resisting, female continued to struggle with P.O. Guerra. P.O. Guerra # 579 tried to use joint manipulation and pressure point to control female #2, but was unsuccessful due to female #2 resisting to get

away from P.O. Guerra.

P.O. Guerra #579 then was able to use joint manipulation a second time on female #2 to left wrist and female #2 then complied. P.O. Guerra #579 then handcuffed and placed female #2 in the back of our z/c.

While this was going on, arrested female #1 started approaching members and was ordered to get back. Arrested female #1 continued to approach, I stepped between her and the arrested female #2, when arrested female #1 punched me in the mouth. I attempted to then handcuff arrested female #1, who then started swinging her arms at me. I tried to use joint manipulation but could not, due to the aggressiveness of arrested female #1. I was unable to get to my taser or pepper spray because female #1 was in too close to me and still swinging arms and scratching me. I then grabbed hold of female #1 in a head lock and took her to the ground. As I had female #1 on the ground she was still scratching at the back of my head as I was attempting to call for other cars.

P.O. Guerra # 579 then came over to help handcuff female #1, who was still swinging arms at members. Members then used a hand strike to female #1's face as she still continued to fight with members. Members were finally able to handcuff female #1.

Several zone cars responded to our call for help.

Members of zone car 1b37, P.O. Becka # 192 and Buettner # 1355 assisted in putting female # 1 into the rear of zone car 1a33. This female fought us the entire way kicking at members and thrashing her head around in a violent manner. This female struck her head several times on the bars of the cage in the zone car.

Sgt Norman on scene for supervisory invest. Michael Cross conveyed back to homicide scene for a cold stand. Witness there stated Mr. Cross was not suspect. He was conveyed back to Clifton, thanked for his cooperation and released. Mr Cross stated to officer Guerra # 579 " I dont know why those girls acted so crazy"

While photographing arrested female number #1 she admitted to resisiting these officers stating " Yeah I fought with them." This was also heard by P.O. Zak #1046. F.I.R that female # 1 had called police earlier for someone blocking her driveway and apparently thought these officers were arresting that individual.

Sgt Norman instructed members of zone car 1a33 to convey arrested females to CPU for booking. Arrested female number 2 was conveyed, booked and accepted at CPU without incident. Female number #1 complained of injuries after she was booked and was conveyed to St. Vincent Charity for treatment. Female was treated and released at Charity by Dr. Rivera. Memebbers of zone car 1a33 conveyed her back to CPU.

Per Sgt. Norman members of zone car 1b32 to consult city prosecutor on the Obstructing and Resisting charges. Injury to P.O. report completed. ( 10-249418). I also informed Sgt. Norman that during the arrest of these two females I suffered an injury to my right elbow. At the time of this report I am experiencing stiffness and pain. I was advised to see Dr Robinson Monday morning or go to and ER should my pain increase.

Use of Non-Deadly Force Forms completed and faxed to Inspections and Record file.

Respectfully,

  
P.O. Frank Garback # 1582
