Don't know what to do... our opponents are succeeding in their mission to paralyze my office, suck up DoL's time and resources, bankrupt my family and burden my assistants during this new political blood sport they've decided to play. If you have any advice, I'll take it.

OK, well, that's likely been filed with Linda Perez and if it's for emails, she'll contact our office. I haven't yet read the op ed that Bill

has written, I'll do that next, but is there anything you'd like me to do?

It's an Andree MacLeod demand for more info on Kris (and others, I believe) - I think it's a FOIA, don't know if it's yet another ethics complaint.

REDACTED Let me know if the focus is right, in addition to whatever comments you might have on the particulars.

I'm 14 words over the Compass piece limit as this stands, so if there is a desire to add something, something else will have to come out. I'm pretty sure there is no way to get this into the paper before Monday, but I will submit it as soon as everyone is satisfied with a final draft.
