PREDICTION CORNER

During the 2017 football season, Capital Gazette staff members and a weekly guest will predict winners of high school games along with Navy and Maryland. Sports staff member making picks are Bill Wagner, Dave Broughton and Bob Hough. Last week's guest, Anne Arundel County Sports Hall of Fame inductee Tim Mealey went 7-6. Former Capital Gazette high school sports editor Aaron Gray still leads the guest competition after going 10-2 in Week 2. This week's guest is Daryl Brown, starting quarterback on the 1978 Annapolis High state championship team. Brown continued his football career at Morgan State University. He is the younger cousin of 2017 Anne Arundel County Sports Hall of Fame inductee Kevin Slade and accepted the honor on his behalf.
