

NAME and NUMBER 111 - 111

On Wednesday, December 16, 2009, ISU intercepted an outgoing letter from inmate DUNNE 522499, a suspected associated of the Northern Structure (NS) prison gang from Merced. Within the letter was a Christmas card containing drawings of a symbol indicative towards his suspected association with the NS. Displayed in the drawing are numerous "Northern Stars". The card is signed "MerryChristmas, a e. See drawing depicted below:

Northern Stars

Merry Christmas
Sean Dunne

The Northern Star is a symbol utilized by the NS to identify themselves as members or associates of the gang. The Northern Star represents an act such as an assault or murder committed by the member/associate to further benefit the gang. The NS adopted the star to symbolize the shining star in the north leading the NS in their struggle against the Southern Hispanic gangs (Surenos) and the Mexican Mafia (La Eme).

In accordance with the California Code of Regulations (CCR Title 15) Section 3378 (c)(8)(B), Tattoos and Symbols, Dunne possessing the above symbol indicative to the Northern Structure in his property should be recognized as one (1) source document indicative towards his validation as an associate of the Northern Structure prison gang.
