Dear Sir:

Enclosed are two photos with background material of
Stewart Geller.

This letter is to confirm the conversation between
the Director of Personnel Administration Division, William J.
McLaughlin, and Special Agent J. Gregory Dunn on September 9, 1983.
This conversation was in relation to Stewart Geller, wanted by
the Federal Bureau of Investigation (FBI) for Unlawful Flight to
Avoid Prosecution - Sodomy. Geller has been indicted by a Grand
Jury in Nassau County, New York.

The subject in question was previously associated with
young boys belonging to a Cub Scout Pack in Southern Florida.
It is the desire of the FBI to alert all scouting officials this
subject could attempt to associate himself with boys of other packs
or troupes in the future.

Special Agent Dunn, upon requesting to insert a
photo and background information of the subject in the Scout
leaders magazine, was informed this was against current magazine
policy of Boy Scouts of America. However, scouting policy will
allow the retention of a photo and background information of the
subject in scouting files, and such files are used to screen all
prospective scouting leaders, voluntary or otherwise.
