**GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:**

On Saturday, October 27, 2012, at 2107 hours, W-1 flagged down a Seventh District Patrol Officer and advised the officer there was a gunshot victim in the 500 block of Parkland Place SE. The officer responded to the block and observed a black male lying on the sidewalk suffering from multiple gunshot wounds to the head and body. The victim was unconscious and unresponsive when DC FEMS Medic #33 arrived on the scene and transported the victim to GW hospital where lifesaving efforts were attempted with negative results. The victim was pronounced dead at 2314 hours by Dr. Lee of the GW medical staff. The decedent was identified as Stevann Moorer of Savannah Street SE, Washington, DC. The remains were transported to DC Medical Examiner's office pending autopsy.

On Sunday, October 28, 2012, Doctor C.O. Chen, M.D., of the DCMEO performed an autopsy on the decedent's remains and determined that the cause of death was a multiple gunshot wounds to the head and body, and the manner of death was ruled a Homicide.

On October 27, 2012, W-1 reported to the police that IT was outside near Malcolm X Park SE when IT heard gunshots. IT turned and saw the suspect standing over and shooting the victim. After the shooting, IT observed the shooter enter a vehicle unknown tag number and drive westbound on Parkland Pl SE. W-1 did not provide a description of the suspect at that time. On November 3, 2012, W-1 was interviewed and described to the police that IT had had several alcohol drinks the night of the shooting but was sober during the November 3 interview and the events were clearer in IT's mind. IT saw the victim walking west on Parkland Place SE. W-1 then heard gunshots, saw the victim fall to the ground, and saw the shooter shoot the victim again as he lay on the ground. IT described the shooter as a b/m, short, not light-complected, wearing a hoody over his head under a dark-colored jacket. W-1 was not shown photographs on either date.

Also on October 27, 2012, W-2 was interviewed and reported that IT was outside drinking alcohol in Malcolm X Park SE when IT observed the suspect and the victim talking intensely on the sidewalk on the south side of

- (C) 1432- 31812-551

the 500 block of Parkland PL SE. IT observed the suspect shoot the victim, stand over him, and shoot him again. W-2 observed the shooter walk south through the alley towards Raleigh Street SE. W-2 described the shooter as a young b/m, 5'6", thin, short hair, wearing a dark or white cap and dark sweatshirt. W-2 was not shown photographs.

On October 27, 2012, W-3 was interviewed. W-3 reported to the Police that IT was outside in Malcolm X Park SE when IT observed a subject shooting at a victim. W-3 described being 20 to 25 yards from the shooting and having a partially obstructed view. W-3 described that the shooter and victim appeared to be in a struggle, the victim fell to the ground, and the shooter leaned down and shot him twice; the shooter then ran south through the alley towards Raleigh PL SE. W-3 described the shooter as a young b/m, wearing dark clothing, a light-colored shirt, and an outer jacket, and either a cap or dreads or both. W-3 was not shown any photographs.

On November 1, 2012, W-4 was interviewed and reported to the Police that IT was outside in Malcolm X Park SE when IT observed a subject shooting the victim in the 500 block of Parkland PI SE. The witness reported IT was on the south side of the block when IT observed the suspect come north through the alley from Raleigh St SE on a bicycle onto the 500 block of Parkland Place SE; at the same time, the victim was running west on Parkland PI SE towards the alley. W-4 observed the suspect shoot the victim initially while standing and then as the victim lay on the ground. W-4 then reported that he observed the shooter ride south through the alley towards Raleigh PI SE; IT also described the shooter as walking south through the alley. W-4 described the shooter as a young b/m, wearing something white on his head and a light blue jacket. IT could not see the shooter's haircut because the shooter wore something on his head. W-4 was not shown any photographs.

On November 7, 2012, W-5 was arrested and upon arrest, told police that IT had information about the Parkland Place SE homicide. IT stated that IT was not trying to do any jail time. W-5 reported that IT was outside near Malcolm X Park SE when IT heard a subject, whom IT knew as "Kenny" and also as "Little Te," state that it was going to kill someone. W-5 described the shooter as a b/m, approximately 18 y.o.a, skinny, short, medium to dark complected, dreads, clean shaven, wearing a dark-colored jacket, and no hat. IT described that on the night of the shooting IT left the area where the shooter made the statement, and moved away from where the shooting occurred. W-5 claimed to then see the shooter shoot the victim while the victim was on the ground. W-5 described where IT was located, at the time of the shooting, as a location determined to be over 100 feet away from the shooting. Also, at the time of shooting, there would have been obstructions blocking W-5's view. W-5 described seeing the shooter run north across the park towards Malcolm X Avenue SE. W-5 stated that IT was not interested in continuing to talk to police or to the grand jury while incarcerated; IT wanted to be out of jail to further work with the police. Later on November 5, at D.C. Jail, W-5 was reluctant to view photographs and when shown a photo of the subject of this warrant, Demonta Michael Chappell, PDID# 608039, IT shook its head saying, "nah" and "take me back to my cell."

It bears noting that Demonta Michael Chappell has been determined by the affiant to have gone by the nickname "LittleTe," and that notwithstanding W-5's refusal to identify his photograph, W-5 provided identifying information about the subject whom it described as the shooter and that information matched information known about Demonta Michael Chappell.

During the first week of January 2013, W-6 was interviewed and described being less than ten feet from the shooting in the 500 block of Parkland Place SE on October 27, 2012 at approximately 2100 hours. IT observed two black males walking westbound in the block, when W-6 heard gunshots and turned to and saw the shooter firing a dark-colored handgun at the head of the victim. After the victim fell, the shooter shot the victim as he lay on the ground. W-6 then observed the shooter run south through the alley towards Raleigh Street SE. W-6 described the shooter as a b/m, dreads, short, hoodie, grey jacket, cap with white on the head cover and a dark-colored brim, blue jeans, and "Jordan's" on his feet.

W-6 reported to the Police that during the month of December 2012, IT was browsing a "Social media" website when IT observed a picture of the shooter. W-6 provided the aforementioned photo to a Seventh District police officer. The officer immediately identified the person in the photo as Demonta Chappell, based on numerous contacts with the defendant in PSA 707. While being interviewed by the officer, W-6 confirmed that the person

608039 21013 1411

in the photo was the same person IT observed shooting at the victim.

On Friday, January 11, 2013, W-6 was shown a "Confirmation" photograph, and immediately stated "That's him." W-6 was asked by the writer if the person in the photo is the same person IT observed shooting the victim and IT replied, "Yes." The single photograph shown to W-6 is of Demonta Michael Chappell, PDID# 608039.

During the investigation, a video surveillance recording was obtained from 3029 MLK Avenue SE. The writer viewed the video recording from Saturday, October 27, 2012, between the hours of 2000 and 2130. At 2123 hours, the video captures a black male running south through the alley towards Raleigh Street SE. The subject in the video is described as a b/m, wearing a blue long sleeve top with a hoodie, dark pants, with a cap with white around the head cover area. The video does not depict anyone traveling north on a bike through the alley immediately before the shooting or traveling south on a bike immediately after the shooting.

Based on the aforementioned facts, and information the affiant respectfully request that DC Superior Court arrest warrant be issued for Demonta Michael Chappell, PDID# 608039.

DEMONTA CHAPPELL

Feb. 09, 2013

In addition to the information provided in the Affidavit in Support of the Arrest Warrant for Demonta Michael Chappell, which is incorporated herein by reference, your undersigned Affiant submits the following:

W6 reported that IT knew the shooter by having seen the shooter on a weekly basis in the neighborhood on Malcolm X Park, SE, for a period of over a year.

.....  
The events and acts described above occurred primarily in the District of Columbia and were committed as described by defendant(s) listed in the case caption.

The foregoing statement was made under penalty of criminal prosecution and punishment for false statements pursuant to D.C. Code § 22-2514
