**GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:**

**POLICE REPORT**

On Sunday, February 10, 2013 at approximately 5:16 pm, members of the Metropolitan Police Department (hereinafter referred to as "MPD"), Seventh District Patrol Section, were conducting a traffic stop at the intersection of 30th and Hartford Street, Southeast, Washington, DC. During this time, officers heard approximately 5 to 6 gunshots in the vicinity of the stop. Shortly thereafter, a police dispatcher advised that a subject had been shot in front of [REDACTED] Buena Vista Terrace, SE. The officers discontinued their stop and responded directly to the shooting scene. Upon arrival, the officers located the decedent, James Dean, lying unconscious and unresponsive on the sidewalk. The decedent was subsequently transported to Prince Georges County Hospital where life saving efforts proved futile. The decedent was pronounced dead at 7:37pm by Doctor Gabriel Ryb of staff.

The decedent's remains were transported to the Maryland State Medical Examiner's Office where a post-mortem examination and autopsy was performed by Doctor James Locke of staff. At the conclusion of the procedure, Doctor Locke determined the cause of the decedent's death to be multiple gunshot wounds. Doctor Locke ruled the manner of death a homicide.

During the course of an investigation, members of law enforcement canvassed the area surrounding the offense and located seven expended .40 caliber cartridge casings, two expended bullets, and one fragmented bullet in close proximity to where the decedent was initially discovered. A further canvass led to the discovery of several external surveillance cameras that were positioned near the crime scene. The investigators subsequently obtained and reviewed the recorded video footage from the cameras.

One such recording, hereinafter referred to as Video #1, captured a black SUV parking in front of [REDACTED] Buena Vista Terrace, SE. Seconds later, the footage captured an unknown male exiting the front passenger seat and walking and then sprint towards [REDACTED] Buena Vista Terrace, SE. out of view. Shortly thereafter, the decedent is captured casually walking completely past the building that the unknown male was observed running towards.

MPD No 61713 1012

Within seconds, an unknown male, who appears to be the initial unknown male who exited the SUV, is observed sprinting from [redacted] Buena Vista Terrace, SE towards the decedent who has his back turned. Once in close proximity, this unknown male is observed shooting the decedent multiple times causing the decedent to collapse. The unknown male is then captured running to and entering the aforementioned parked SUV on the passenger side, quickly fleeing the scene.

As the investigation progressed, investigators located and interviewed several witnesses to the offense. Once such witness, hereinafter referred to as W-1, reports that while in the vicinity of the homicide, IT observed the decedent walking alone towards [redacted] Buena Vista Terrace, SE. W-1 reports that IT subsequently heard several gunshots and looked in the direction of where IT last saw the decedent. Upon doing so, W-1 observed an unknown male standing in the vicinity of the decedent. W-1 observed the decedent collapse to the ground. W-1 then observed the unknown male, hereinafter referred to as the suspect, run towards a black SUV and enter on the passenger side of the vehicle. Within seconds, W-1 observed the black SUV flee the block.

W-1 described the suspect as a male, wearing a black coat and blue jeans. W-1 further stated that the suspect was wearing something black on his head that was similar to a "skully".

A second witness, hereinafter referred to as W-2, reports that while in the vicinity of the homicide, IT observed the decedent walking alone towards [redacted] Buena Vista Terrace, SE. W-2 reports that IT subsequently heard several gunshots and looked in the direction of where IT last saw the decedent. Upon doing so, W-2 observed an unknown masked male near the decedent. W-2 observed the decedent collapse to the ground. W-2 then observed the unknown masked male, hereinafter referred to as the suspect, run towards a black SUV. W-2 observed the suspect enter the black SUV on the passenger side of the vehicle. Within seconds, W-2 observed the black SUV flee the block.

W-2 described the shooter as a black male, possibly light complexion, slim build, same height as decedent (5'11), possibly with dreadlocks pulled back, wearing a black coat, blue jeans, and a ski mask.

A third witness, hereinafter referred to as W-3, reports that while in the vicinity of the homicide, IT observed a black SUV improperly parked in front of [redacted] Buena Vista Terrace, SE. W-3 then observed an unknown masked black male, hereinafter referred to as the suspect, come from the area of the black SUV and sneak up on the decedent who had his back turned. Once in close proximity, W-3 observed the suspect firing a handgun that was pointed at the decedent. W-3 observed the decedent collapse to the ground. W-3 observed the suspect run towards the aforementioned black SUV. W-3, who quickly changed IT's position of observation for safety reasons, was unable to observe where the shooter ultimately fled to. W-3 subsequently observed the black SUV flee the block.

W-3 described the shooter as a black male, wearing a dark jacket, blue jeans, and a face mask to conceal his identity.

A fourth witness, hereinafter referred to as W-4, reported to MPD investigators that while in the vicinity of the homicide, IT observed a subject known as "Kevin" exit the passenger side of a black SUV that was parked in front of [redacted] Buena Vista Terrace, SE. W-4 observed "Kevin," who was unmasked, walk towards [redacted] Buena Vista Terrace, SE out of IT's sight. Shortly thereafter, W-4 heard the sounds of gunshots and observed "Kevin" running away from the decedent who had collapsed to the ground. W-4 observed "Kevin," who was unmasked, run past the driver side of the black SUV with a dark object in his hand. W-4 then observed "Kevin" run behind the vehicle and emerge on the passenger side. W-4 observed "Kevin" open the front passenger door of the black SUV and enter the vehicle prior to it fleeing.

W-4 described "Kevin" as a black male in his mid to upper twenties, approximately 5'9 to 5'10 in height, medium build with a bald head. W-4 stated that "Kevin" was wearing a dark jacket, blue jeans and a rolled up skull cap on his head. Furthermore, W-4 stated that IT has known "Kevin" for several years and knew him to be from the "Parkland" neighborhood of SE, Washington, DC. W-4 then provided a phone number that "Kevin" was previously utilizing.

2013 Case 1744  
KRB-AMP 6/13/13 1052

2013 CREW 1794

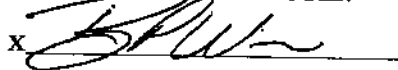

As the investigation progressed, MPD detectives discovered that in 2011, a Kevin Brown, with no reported date of birth, utilized the number provided by W-4 to contact 911. The investigators then searched a MPDC photo database and located a photograph of Kevin Brown (PDID#521254) who matched the description provided by W-4. Furthermore, investigators learned that Kevin Brown (PDID#521254) provided law enforcement with the home address of 3579 Stanton Road, SE, which is located in the "Parkland" neighborhood of SE, Washington, DC.

On February 21, 2013, MPD detectives met with W-4 and allowed him to view a photo array that contained a photograph of Kevin Brown (PDID#521254) and eight additional individuals. Upon viewing the array, W-4 stated, "Nah, I don't see him. The closest one is #4...but he has a bald head and more facial hair now." The photo held in the #4 position was of Kevin Brown (PDID#521254), which was taken in 2009. However, a photo of Kevin Brown (PDID#521254) posted on the internet shows him to have a bald head and a beard.

During a follow-up interview, W-4 admitted that the photograph held in the #4 position of the array, known to be Kevin Brown (PDID#521254), was in fact the "Kevin" that IT described in IT's previous statement outlined above. W-1 further admitted that IT immediately recognized "Kevin" during the prior photo viewing procedure and intentionally didn't identify him due to safety concerns.

Based on the aforementioned facts and circumstance, the affiant respectfully requests that a DC Superior Court Arrest Warrant be issued for the arrest of Kevin Brown. All events occurred in the District of Columbia.
