HE Trustees have the pleasure of presenting to the Proprietors their First Annual Report and

Statement of Accounts, made up to the end of the Financial Year, the 1st November 1888. At the date of the Statutory Meeting, held on 25th November last, the Subscribed Capital of the Company was $\pounds 53,820$. At present the Subscribed Capital is $\pounds 250,000$, in addition to $\pounds 125,000$ of Debenture Stock. The Capital is held by 403 Proprietors, and has been duly invested by the Trustees in the securities mentioned in the accompanying List. The Trustees have considered it advisable to change some of the Securities during the course

of the year, and the Profits from Sales, amounting to £1858, 6s. 11d., have been invested, and carried to Reserve Fund.

The Revenue Account shows a receipt of $\pounds 13,232, 2s. 11d.$, which, after deducting Management Expenses, as provided for by the Articles of Association, Interest on Debenture Stock, and on Calls paid in advance, and Law Expenses, leaves the sum of £9600, 8s. 10d. Out of this amount an Interim Dividend, at the rate of 5 per cent. per annum, both on the Preferred and Deferred Stocks to the 1st of May, has already been paid, absorbing £1345, 3s. 8d., leaving £8255, 5s. 2d. for further distribution.

The Shareholders will observe that in connection with the formation expenses a sum of \pm 1750 is charged in addition to the amount provided for in the agreement with Mr PARISH. It should be stated in explanation of this that when the subscribed Capital had reached the amount of £75,000, a proposal The explanation of this that when the subscribed Capital had reached the amount of $\pounds75,000$, a proposal was made to the Trustees to take up the remainder of the issue, amounting to $\pounds175,000$, on condition of the above amount being allowed as a Commission. The Trustees considered that it would be of great advantage to the Company to accept this offer, as they would thereby be enabled at once to get a Stock Exchange quotation, and to issue Debenture Stock. They accordingly did accept it, and the present position of the Company in the market is evidence of the great which the Cherchelder have thereby defined. of the great benefit which the Shareholders have thereby derived.

The Trustees recommend that the Balance on Revenue Account be now appropriated by the payment of Dividends of 5 per cent. per annum on the Preferred Stock, and at the rate of 7 per cent. per annum on the Deferred Stock, leaving the sum of £942, 15s. 2d., to be carried forward to next Account. This Balance would have admitted of a payment at the rate of 8 per cent. on the Deferred Stock, but the Trustees have considered it the more expedient course to restrict the Dividend, so as to carry forward a substantial sum.

The Trustees have now resolved to issue the £250,000 of unissued Capital, in 25,000 shares of £10 each.

The present average market price of the Preferred and Deferred Stocks is $\pounds 112\frac{1}{2}$. The Trustees propose to offer the new Stock rateably to the present Stockholders at 12s. premium per $\pounds 10$ Share, which corresponds to $\pounds 100$ per cent. of Stock, thus, after allowing for deduction of Dividend, giving them a considerable Bonus on the issue. Should any part of the Stock not be taken up by the present holders, the Trustees will thereafter issue it to the public at such terms as may appear to them advisable. These Shares will, when paid up, be divided into equal parts of Preferred and Deferred Stock.

The Accounts do not exhibit a full year's income, owing to the fact that a large proportion of the Capital was not subscribed and invested until during the latter part of the year. The Securities are lodged in the Deposit Safe in the Offices of the Scottish American Invest-

ment Company, George Street, which is believed to be one of the most secure safes in Scotland, and have during the year been examined quarterly by two of the Trustees and the Auditor, who have certified them to be correct. The Trustees have during the year assumed Mr Egerton H. Clarke, of Messrs Linton, Clarke & Company, as a Trustee, and his election falls to be confirmed by the Shareholders.

The Auditor, Mr H. M. HORSBRUGH, C.A., retires at this Meeting, but offers himself for re-election.

Signed on behalf of the Board,

J. DICK PEDDIE, Chairman.

THE HON. F. J. MONCREIFF (Messrs Moncreiff & Horsbrugh), Edinburgh. JAMESON TORRIE, Esq. (Messrs Torrie, Brodie &

R. Maclagan), Edinburgh.
