

# Senator Nancy Detert **SUPPORTED** Obamacare's Medicaid Expansion.

Conservatives in the legislature rejected Obamacare's Medicaid expansion... **BUT NOT Senator Nancy Detert.**

## Obamacare's Medicaid expansion means:

- **1 in 4 Americans** will be put on Medicaid – but 41% of FL doctors reject new Medicaid patients<sup>3</sup>
- **\$638 billion** in new government spending<sup>4</sup>
- Increased abuse in a system that loses up to **10% in fraud** each year<sup>5</sup>
- Medicaid patients get **worse care** than Medicare or even the uninsured<sup>6</sup>

Call **Senator Nancy Detert** at **941-480-3547**  
and tell her it's time to fight Obama's bad policies,  
not enable them.
