The FOIA Request is dated March 29, 2012 and was in fact received by your office via UPS next day airmail on or about April 3, 2012. A response letter was dispatched and received by my firm on or about May 5, 2012 after which the undersigned had left several voice mails for both Ms. Preston and Ms. Gerson Over the past week, counsel has left no less than six (6) voice messages for Ms. Preston – none of which have been returned. The last communication this office received from Ms. Preston was voice mail message left on or about May 4, 2012 which stated in sum and substance an email had been sent to the District Court and that I should telephone in order to follow up – which we have of course done so and yet to receive a response.

Moreover, this letter requests a written response as to the status of our FOIA Request # 12-1433 and said response should detail any and all statutory requirements the office expects of the requester.

Thank you so much for your diligence, expedience, and professionalism with regard to the requests contained herein. I remain

Respectfully Submitted,
