Richard Sherman reminds me of

Wheck it Ralph because people

think they are both bad guys

but they are both really good

guys. They are both nice to kids

and really smart. Richard Sherman

is smart He went to a good school

and studies football. He saved the football

game on Sunday. Wreck it Ralph is

smart too. He saved Sugar Rush

and saved the day. Richard Sherman is nice.

He visits sick kids and is nice to

kids. Ralph is nice to Venelope. She

is a kid. Like they said in

Wreck it Ralph just because

people think you are a bad guy

Doesn't mean that you are a bad

guy. I Love Richard Sherman and

Wheek it Ralph
