- Description: This is a FOIA request for the following documents. In 2008, DoT entered into Contract or Order No. TOS09014B for asset management services.. This FOIA request seeks the contract documents under which DoT was represented or advised by outside counsel under this Contract or Order. Specifically, it is believed that Dot was represented or advised by the law firm of Thacher Proffitt and Wood, LLP (?Thacher?) which was the initial contractor. This request seeks the contract and any orders or modifications given by Dot to Thacher in connection with the subject of the Contract or Order. In addition, it is believed that, at some point, Sonnenschein Nath and Rosenthal, LLP (?Sonnenschein?) came to replace Thacher as DoT?s contractor. This request also seeks all documents reflecting the contract or order or modification or novation or assignment by which Sonnenschein came to replace Thacher as counsel to or advisor to DoT under the referenced contract or order or any successors, including especially any submissions or other documents of any kind that were provided to DoT or any other federal entity to support or justify the change of firms contracting with DoT. It is particularly important to us to receive any records of anything submitted or said by either Thacher or Sonnenschein or any representative of either to DoT to get Sonnenschein to be the contractor for DoT or, if any member of either firm was the contractor or replacement contractor, of any submissions for that purpose.
