Dear Mr. London,

This is in response to your FOIA request at Wright-Patterson, requesting all records from 1994 to date regarding the decision to undertake the assessment of C-123 Veterans Agent Orange exposure that culminated in publication of the Consultative Letter. This request was assigned a FOIA Control Number of 2014-00423-F ST2.

To process your request properly, the office of primary responsibility finds that a time extension is necessary. If you interpret the request for an extension of time as an adverse action, you may decide to appeal this decision and write to the Secretary of the Air Force within 60 calendar days from the date of this letter. Include in the appeal your reasons for not excepting an extension of time, and include a copy of this letter. Address your letter as follows:

Secretary of the Air Force
THRU: 88 CS/SCOKIF (FOIA)
