Government Records Request

Receipt

April 15, 2014:

Mr. Musgrave,

The Division of State Police is in receipt of your OPRA request. We canvassed the Division, more specifically, the Central Purchasing Unit, the Aviation Unit, and our Tactical Units to determine if there were any responsive records. We learned that the records you requested are not maintained by the NJSP. More specifically, the NJSP is not in possession of, nor have we ever purchased or attempted to purchase any drone(s). Furthermore, the Division does not maintain records that reference un-manned drones as the subject matter. Therefore, your request must be denied.

DSFC Marco Rodriguez
Government Records Custodian
New Jersey State Police

Your request for government records (# W85667) is as follows:

Please note that I submitted the below request by mail on March 10 and March 25, 2014 without reply.
=====All documents created from January 2005 to the date this request is processed related to the agency's use of aerial drones, remotely piloted vehicles (RPVs), remotely piloted aircraft (RPAs), unmanned aerials (UAs), unmanned aerial vehicles (UAVs), and/or unmanned aerial systems (UASs)(hereinafter ¿drones ¿).Please search specifically for the below document categories, and respond to each of the categories and items: 1) Acquisition documents:i) requests for proposals (RFPs), proposals/quotes submitted by vendors, contracts, leases, budget requests, project/equipment budgets, cost allocations or reimbursements for the purchase of drone equipment;ii) Grant applications and award letters for drone equipment purchases;iii) Insurance contracts for all drone equipment;iv) Communications (including electronic communications) between the agency head or agency quartermaster (or individual responsible for equipment purchases and maintenance) and drone vendors, manufacturers or retailers;v) Communications (including electronic communications) between the agency head and agency quartermaster (or individual responsible for equipment purchases and maintenance) regarding acquisition, lease or use of drone equipment;vi) Communications (including electronic communications) between the agency head and the governor, mayor and city/town manager regarding the acquisition of drones;vii) Applications (including all components and support documentation) for Certificates of Waiver/Authorization (COA) from the Federal Aviation Administration, as well as COA grant notifications and final agreement; viii) Contracts for services related to drones, such as data storage, data analysis, image storage, image analysis, video storage, video analysis, operation, maintenance; 2) Equipment logs:i) Inventories/logs/lists/databases of all drones owned, leased or operated by or for the agency;ii) Maintenance logs for all drones owned, leased or otherwise operated by or for the agency; 3) Policy documents:i) Policies, guidelines, protocols, manuals and/or instructions on the use/operation of drones and usage of data, images and video obtained from drone flights;ii) Communications from the agency head, quartermaster (or individual responsible for overseeing equipment purchases and maintenance) on approved uses for drones;iii) Memorandums of understanding (MOUs), memorandums of agreement (MOAs) or any other agreements or contracts with other government agencies, private corporations, organizations or individuals to share drone equipment, data, images or video or to operate drones on behalf of the agency; 4) Training documents:i) Curriculum used to train drone operators and observers;ii) Training log for all drone operators and observers;iii) Certifications of training completion for all drone operators and observers;iv) Contracts, purchase orders, budget requests or reimbursement orders for training sessions for all drone operators and observers; 5) Usage documents:i) Flight logs for all drone flights, including training flights;ii) Flight logs transmitted to the Federal Aviation Administration pursuant to Certificate of Waiver/Authorization (COA) requirements;iii) Reprimands relating to drones, including misuse of equipment and failure to properly maintain equipment.
