Re: 201108328 Wrongful Death Claims

Dear Ms. Casto:

This is to follow up my FOIA request dated September 28, 2011 regarding the above referenced case.

Aside from your letter dated October 25, 2011, I have received no further communication or information responsive to my FOIA request.

Please consider this a reiteration of my initial FOIA request. I would greatly appreciate receiving the requested information or an explanation if the information is being withheld or delayed for any reason. In addition, please include any and all documents and information that may have been added to the file since the first request was made up to and including the present day.

In order to expedite this request, please be advised that I am expressly authorizing any fees for photocopies, up to \$1,000.

Thank you very much for your consideration.

Sincerely,

Joshua M. Ambush
