Re: Elumenus Lighting Corporation, Inc.
FOIA Request No. 2013-09396

Dear Ms. Todd:

We have been engaged by Elumenus Lighting Corporation, Inc. ("Elumenus") to assist it in obtaining a timely and complete response to its request under the Freedom of Information Act dated July 3, 2013. As you know, the Bureau of Prisons ("BOP") acknowledged receipt of Elumenus' FOIA request on the same date that it was transmitted. Furthermore, Elumenus promptly remitted a fee of \$2,474.00, which BOP requested as a condition of processing the FOIA request. On September 23, 2013, you informed Elumenus that it could expect a response within 20 days.

I understand that you have informed James Sadler at Elumenus of several delays and appreciate your keeping him informed; however, Elumenus no longer has any incentive to agree to any delays. Please advise me at your earliest convenience when BOP will produce the records that Elumenus requested more than six months ago.

Sincerely,

WILLIAMS MULLEN
