Dear Mr. Topic:

This responds to your email dated October 15, 2014, in which you requested that this Office reconsider its decision on your appeal from the action of the Federal Bureau of Investigation on your client's request for access to records concerning Ronald Watts.

After carefully considering this matter, I have determined that this Office's original decision, as outlined by this Office's letter dated September 29, 2014, 2014, was appropriate.

If your client remains dissatisfied with my action on your appeal, the Freedom of Information Act permits your client to file a lawsuit as indicated by this Office's letter dated September 29, 2014.

Sincerely,

Sean R. O'Neill  
Chief  
Administrative Appeals Staff
