Experience

Director of External Affairs

Edison Electric Institute

September 2013 – Present (1 year 4 months) | Washington D.C. Metro Area

The Edison Electric Institute (EEI) is the association that represents all U.S. investor-owned electric companies. Our members provide electricity for 220 million Americans, operate in all 50 states and the District of Columbia, and directly employ more than 500,000 workers.

I am responsible for outreach to state elected officials including state legislators, governors and attorneys general on issues across EEI's portfolio. I am also responsible for outreach to advocacy organizations and think tanks that work on energy and electricity policy.

Education

University of San Francisco

Masters, International and Developmental Economics

2006 – 2008

California State University-Long Beach

BA, Business Economics
2003 – 2004

Virginia Military Institute
