Shaun,

The most would be a standard box van, and I doubt if it would ever be full. Maybe 8 to 12 sets.

I will check to confirm if you can let me know if this is "doable"

Thanks  
Gene

How many would they bring at a time?

Shaun,

I met with David Smith from Mattress Depot and found that their drivers in the Tacoma/Olympia area have been dropping off mattresses at Springback. I told him about the WCI facility in Tumwater. Can they drop off mattresses at your facility. And, what would the procedures be. i.e hours, do they need to call first?

Look forward to hearing from you.
