Dear Ms. Seibert:

This is a final response to your 9 January 2015 Freedom of Information Act (FOIA) request, received in the office of the Information and Privacy Coordinator on 9 January 2015, for (1) copies of 19 documents as posted on the CREST system at the National Archives and Records Administration, and (2) for "all documents on, about or mentioning 'Scientology' that were automatically declassified for the CREST 25-Year Archive after 2013-01-08 that have not yet been incorporated into the document index by the web-based 'Finding Aid' search tool."

With respect to Item 1 of your request, we conducted a search and located the 19 documents you requested, consisting of 40 pages. Please be advised that these documents were released as part of another release program.

With respect to Item 2 of your request, we have determined that our record systems are not configured in a way that would allow us to perform a search reasonably calculated to lead to responsive records without an unreasonable effort. The FOIA does not require federal agencies to perform research, create records or conduct unreasonable searches through a body of material to see if any of it is related to a particular request. Therefore, we must decline to process your request.

Sincerely,

A handwritten signature in black ink, appearing to read "JG", followed by a horizontal line extending to the right.

John Giuffrida

Acting Information and Privacy Coordinator
