What takes place in America today was caused by the flagrant interference on the part of successive American governments into others' business. These governments imposed regimes that contradict the faith, values, and lifestyles of the people. This is the truth that the American government is trying to conceal from the American people.

Our current battle is against the Jews. Our faith tells us we shall defeat them, God willing. However, Muslims find that the Americans stand as a protective shield and strong supporter, both financially and morally. The desert storm that blew over New York and Washington should, in our view, have blown over Tel Aviv. The American position obliged Muslims to force the Americans out of the arena first to enable them to focus on their Jewish enemy. Why are the Americans fighting a battle on behalf of the Jews? Why do they sacrifice their sons and interests for them?
