RE: Public Records Request 15-35
 All Emails to and From General Manager Beverly Scott
 February 9 through 11, 2015

Dear Mr. Musgrave:

This letter is in response to your public records request regarding the referenced.

Please be advised that a search for documents responsive to your request is likely to return a large number of documents of broadly varying substance. Your request does not provide sufficient, detailed information for the MBTA to determine or state what specific exemptions may apply to each record under the public records law. Based upon all available information, the estimated costs of complying with your request are as follows:

Search and Segregation Time for Emails	
997 Emails (3 minutes to review/print each)	
49 hours x \$50.00 per hour (Attorney Rate)	\$ 2450.00

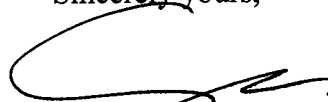

If all responsive documents are subject to production under the public records law:

Emails	
7300 pages at .20 per page	\$ 1460.00
Postage	\$ 50.00
Total	\$ 3960.00

This amount must be paid in advance and is just an estimate, which may change when the work is actually performed.

If you want the MBTA to provide the requested documents to you kindly send a check, in the amount of \$3960.00, payable to the Massachusetts Bay Transportation Authority, to my attention. In the event that you wish to narrow the scope of your request, please provide a detailed description and you will be advised of the cost.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Susan M. Krupanski', with a large, sweeping flourish that loops back to the left.
