RE: Appeal No. AP-2015-00168, Request No. 2014USMS26315. Julio Cardenas Request No. 2014USMS526315.

Dear Mr. O'Neill,

This is regarding your correspondence dated December 15, 2014. The reason I submitted the Appeal from the request (FOIA) from the USMS was because they denied part of said request, to release the Classification records, gang affiliation, and house assignment. I am providing you with the correspondence from the USMS dated July 11, 2014.

I would request your office to resubmitted the request for the appeal.

Respectfully

Julio Cardenas
