Re: Privacy Act Request No. 2014USMS26315; Julio cardenas # 22586-379.

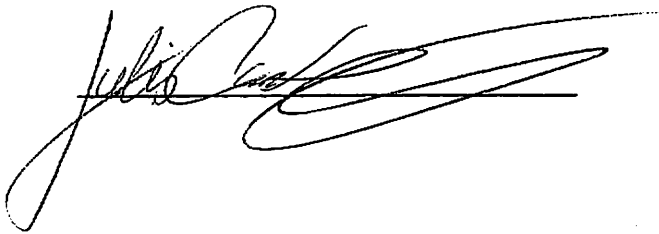

M. Woods,

Mr. Cardenas is in receipt of your Nov. 4, 2014 letter. He would like to thank you for your response and consideration in this matter. However, he would like this missive to be construed as a supplemental request to his initial request. In addition to his first request, he seeks additional information that is in the possession of the Marshals Service and it is as follows:

1) he is requesting the attorney/client log book entries from the MTC Willicy County Detention Center and for attorney's: Roberto Garza and Adolfo Alvarez. From 9/2012 thru 12/2013.

In further regards to this above dated letter from yourself. Mr. Cardenas does ask that you consider giving his request priority status as he is under a time sensitive situation. In effect, he is pending his direct appeal and needs the information requested to support his claims.

Respectfully
