Dear Mr. Evers:

This letter is in response to your Freedom of Information Act (FOIA) request dated June 24, 2019. Your request was referred to us by the U.S. Army Freedom of Information Act Division, Records Management Declassification Agency (RMDA). You are seeking records pertaining to your enclosed FOIA request. Your request was assigned our office tracking number FA-19-0137.

We are releasing (84) pages with partial redactions that are responsive to your FOIA request. All redactions and withholdings have been made pursuant to Exemption (b)(6) of the FOIA as described below.

Exemption 6 of the FOIA 5 U.S.C. § 552(b)(6)

Exemption (b)(6) of the FOIA protects from mandatory disclosure “personnel and medical files the disclosure of which would constitute a clearly unwarranted invasion of privacy.” 5 U.S.C. § 552(b)(6) (2011). To qualify for protection under Exemption (b)(6), records must meet two criteria: (1) they must be “personnel and medical files and similar files,” (2) the disclosure of which “would constitute a clearly unwarranted invasion of personal privacy.” *Id.*; *United States Dep’t of State v. Washington Post Co.*, 456 U.S. 595, 599-603 (1982). The first prong is met if the information “appl[ies] to a particular individual” and is “personal” in nature. *New York Times Co. v. NASA*, 852 F.2d 602, 606 (D.C. Cir. 1988). The second prong requires courts to strike a “balance between the protection of an individual’s right to privacy and the preservation of the public’s right to government information.” *United States Dep’t of State v. Washington Post Co.*, 456 U.S. 595, 599 (1982). The “public interest” in the analysis is limited to the “core purpose” for which Congress enacted the FOIA: to “shed . . . light on an agency’s performance of its statutory duties.” *United States Dep’t of Justice v. Reporters Comm. for Freedom of the Press*, 489 U.S. 749, 773 (1989).

We are withholding the names of personnel, third-party information other than Senior Executive Service members and General Officers and contact information for all Army personnel (e.g., email addresses and direct-line telephone numbers) under Exemption 6. 5 U.S.C. § 552(b)(6). See *Judicial Watch, Inc. v. United States*, No. 03-1160, 2004 WL 26736, at *4 (4th Cir. Jan. 6, 2004). Under the Exemption (b)(6) balancing test, the Supreme Court held in a similar case that disclosure of employee addresses “would not appreciably further the citizens’ right to be informed about what their Government is up to and, indeed, would reveal little or nothing about the employing agencies or their activities.” *United States Dep’t of Defense v.*

Fed. Labor Relations Auth., 510 U.S. 487 (1994). The same is true here. Disclosure of the names, contact and personal information of government employees would contribute little to the public's understanding of government activities. By contrast, such disclosure would constitute a "non-trivial" and "not insubstantial" invasion of government employees' privacy interests. Id. at 500, 501.

For any further assistance and to discuss any aspect of your request, you have the right to contact the Army FOIA Public Liaison Officer, Alecia Bolling, by email at usarmy.belvoir.hqda-oaa-ahs.mbx.rmda-foia-public-liaison@mail.mil or by phone at (571) 515-0306. Additionally, you may contact the Office of Government Information Services (OGIS) at the national Archives and Records Administration (NARA) to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: NARA-OGIS, 8601 Adelphi Road-OGIS, College Park, MD 20740-6001, email at ogis@nara.gov, telephone number (202) 741-5770 toll free at (877) 684-6448 or by facsimile at (202) 741-5769.

This partial denial has been made on behalf of the Administrative Assistant to the Secretary of the Army, who has designated that this office act as the Initial Denial Authority for records maintained by the Office of the Secretary of the Army and its serviced activities. You have the right to file an administrative appeal with the Office of the Army General Counsel within ninety (90) calendar days. See 32 C.F.R. § 518.17(c). Their mailing address is:

Department of the Army
Office of the General Counsel
