Dear SAMHA,

I think you know who I am so hi. The one BIGGEST thing I want this year is for me and my family to get along. It's been hard for me and my mom the most so could you please help us out? I hope you can write back to me but I want you to know how much my family means to me! You know I got a hamster right? Well could you maybe get her some toys or treats I made a little stocking for her! Bye Bye

Sincerely

Mckinlie

Dear Santa, I don't want
anything for Christmas, but, I would
like to ask you if you can do
me a favor: Can you please
find a cure for COVID-19 and
give it to us to save
the world. Thank you, love Jonah.

Dear Santa this year has been rough this year because of corona but I was hoping I could get some lego sets because my mom said she cant get anything for me for christmas ~~because~~ because she is not ~~getting~~ getting paid as much so she cant afford anything and I would appreciate if my mom could get some thing too because she takes care of us and gives me food and works very hard so I just wanted something for her like a gift card

Always Love from alani

To whom it may concern I Ernestine [REDACTED] just found out that I have Osteoarthritis in my left leg. It's recommended by my doctor to start therapy asap in 2 weeks. My spouse is out of work due to having multiple strokes and seizures. He also, has a pacemaker and defibrillator. It's hard making ends meet with bills stacking up and living off of pay check to pay check to take care of the rent all alone to keep a roof over our four children and ourselves. Struggling with money to buy anything. I make sure to put money to the side for my farecard to get to work everyday. I want us to have an enjoyable Holiday ♡♡ Thanks
