Re: PARDON FOIA 2018-277143 (Partial Grant)

Dear Ms. Cafasso:

This correspondence is in response to your Freedom of Information Act (FOIA) request dated and received in the Office of the Pardon Attorney (PARDON) on April 17, 2018. I apologize for our delayed response, but we are a very small office with limited resources, so we have to prioritize mission critical work over all other responsibilities. Nonetheless, pursuant to the Freedom of Information Act, 5 U.S.C. § 552 *et seq.*, you originally requested all emails that contain the words Scooter, Libby, Cheney, Plame, or Fitzgerald between April 11, 2018 and April 16, 2018. However, on Monday, December 4, 2020, you narrowed the scope of your request to only include emails that meet the scope but were also sent by an official the Office of the Attorney General, the Office of the Deputy Attorney General, the Office of Public Affairs, or the Office of the Pardon Attorney.

After carefully considering your request, I have determined that the attached 21 pages are appropriate for release with redactions pursuant to 5 U.S.C. § 552(b)(5), which concerns certain inter- and intra-agency communications protected by the deliberative process privilege, as well as 5 U.S.C. § 552(b)(6), which concerns material the release of which would

constitute a clearly unwarranted invasion of the personal privacy of third parties. Please also be aware that I am withholding an additional 28 pages in full because those communications are protected pursuant to 5 U.S.C. § 552(b)(5), which concerns certain inter- and intra-agency communications protected by the deliberative process privilege as well as the presidential communications privilege.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may email this office at PardonAttorneyFOIA@usdoj.gov for any further assistance with your FOIA request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with our determination in response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, 441 G Street, NW, 6th Floor, Washington, D.C. 20530, or you may submit an appeal through OIP's FOIA STAR portal by creating an account and following the instructions on OIP's website: <https://www.justice.gov/oip/submit-and-track-request-or-appeal>. Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. We also suggest you clearly note "Freedom of Information Act Appeal of PARDON FOIA 2018-277143" so that OIP will be able to refer to the correct case number.

Sincerely,

William Taylor II

Hi everyone,

Please use the following offense description from the indictment:

Obstruction of justice; false statements; perjury (two counts)

This echoes how it was listed in like 2009 when it got commuted, and we should at least be consistent. No need for the statutes to be included.

JULY 2, 2007

Lewis Libby

Offense: Obstruction of justice, 18 U.S.C. § 1503; false statements, 18 U.S.C. § 1001(a)(2); perjury, 18 U.S.C. § 1623

District/Date: District of Columbia; June 5, 2007

Sentence: 30 months' imprisonment; two years' supervised release; \$250,000 fine

Terms of Grant: Sentence of imprisonment to expire immediately, leaving intact and in effect the term of supervised release and all other components of the sentence

I can do that. I recall last time there was an issue with the offense wording. Do you have any suggestions?

From the statues listed it would be the following:

18 USC 1623, false declarations before grand jury or court
18 USC 1001(a)(2), making materially false, fictitious, or fraudulent statement or representation
18 USC 1503, influencing or injuring officer or juror.

Also, I do not have the access necessary to alter the main page.

William - please add the attached pardon warrant to all of the appropriate spots on our website, including but not limited to the main page as well as the Trump Pardon Grant page. Please keep the formatting that we have used in the past for consistency and let either me or Ros know if you have any questions.

I'll look up the SPECIAL workflows. That should contain all the non-applicant grants by Pres Obama.

I'm not sure that all the Obama SPECIALs were previously known publicly to be non-applicants—I'm think mainly of the re-consideration cases of previous denials. Just FYI.

Public affairs wants a list of the people Bush and Obama granted but we either didn't have a petition on file for them. I'm working on Bush from the historical clemency binder. Since we don't have one for Obama, can someone assist with that so I can get a response back today? Chelsea Manning comes to mind but even that is an oddity because we had a petition that we didn't process because it shouldn't have come to us.

Ian,

I can confirm that DOJ does not have a clemency petition for Irve "Scooter" Libby.

Hi

Reports about a potential approval of a pardon for Scooter Libby.

Do you happen to know if an application has been filed (something DOJ usually confirms) and what its status is ?

thanks

Subject: Stamps

Will,

If you are on break at all today from your training, would it be possible to get a stamp for the post-paid stamp for Libby's warrant?

Thanks!

Kira
