Enclosures: 1) Subcontracts A90M-VC-SDF0872, A90M-VC-SDF0875 &  
A90M-VC-SDF0876 Current Mobilization Deficiencies

Dear Mr. Baisey,

Pursuant to references (a) through (c) you are notified that KBR considers all items noted on Enclosure (1) to be conditions that are endangering performance of the Subcontracts and jeopardizing the lives of all personnel on sites F1.2 (TF Marne), F2.3 (Division Iron Horse) and F3 (Desert Diamond). Therefore, unless Najlaa International Catering Company is able to provide a formal plan within 72 hours to correct the deficiencies listed in Enclosure (1) and is able to correct all of the deficiencies listed within 10 calendar days after receipt hereof, KBR may terminate these subcontracts for default under Clause No. 6 of References (a) and Clause No. 19 of Reference (b).

Please contact the undersigned if you require any clarifications or additional information with regard to this notice.

This letter and your response will be documented in the subcontract file for future reference.

Respectfully,

William Young  
PSM Manager, DFAC  
KBR LOGCAP III
