## Re: Public Records Request

Dear Anonymous:

The San Francisco Public Defender received your public records request dated December 5, 2020 and on December 15, 2020, requested a 14-day extension.

These are public records and we will provide both the text messages and the metadata as requested. Unfortunately, we need additional time to obtain access to the device and to obtain the necessary tools to extract the metadata. We have every intention of providing the records in full by January 12<sup>th</sup>. We request a 14-day extension so that we can obtain the records.

Sincerely,

A handwritten signature in black ink that reads "Tyler Vu".
