

Governor Dunleavy,

I am honored that you appointed me to be Alaska's Attorney General, and have appreciated the opportunity to serve as acting attorney general for the last six months. After discussions with family, and for personal reasons, I ask to be removed from consideration for the position of attorney general, and offer you my resignation. It has been a pleasure working with you, and I wish your administration the best.

Ed Sniffen

Attorney General

Alaska Department of Law
