<p>Please see the attached correspondence acknowledging your request. We attempted to reach you by phone on October 19, 2020, but were unable to speak with you. In your request you seek records regarding "Byrd Camp". Please clarify the location of "Byrd Camp". In records already released to the public, we have seen references to "Arivaca" and "The Barn", but we have not seen a reference to "Byrd Camp". We need you to log into this request and "modify" the description to include an address, or other information to assist in determining where "Byrd Camp" is located. If the location is "The Barn" in Arivaca, Arizona, then please update your request to include that information.</p> <p>CBP-20201-003362 Acknowledgement.pdf</p> <p>Reply</p>

Hello,I'm writing to check in on estimated timing for a response to the FOIA request CBP-2021-003362. I sent an email to admin@foiaonline.gov on Nov. 17, 2020, however received notice that "the recipient's email system refused to accept" the email. Friday, 11/13/2020, marked 20 business days since filing the request. I understand from the initial acknowledgement letter that CBP noted the 10-day extension permitted by FOIA for certain circumstances. However, the estimated date of completion is still listed as TBD on FOIA Online. I would appreciate any timing estimates you currently have.I was asked for a direct contact number on 10/26/2020, which I provided on 10/27/2020, but to my knowledge I have not been contacted by phone since then. I am happy to talk by phone at any time and to provide any additional information needed for the processing of the request. I can be reached at 202-507-7529 or 240-274-8334. If I should be using another method of communication, please advise.Thank you in advance for your time and attention.
