

IN THE COURT OF COMMON PLEAS
OF CHESTER COUNTY, PENNSYLVANIA

COMMONWEALTH OF PENNSYLVANIA,
Upon relation of DEBORAH S. RYAN,
DISTRICT ATTORNEY OF CHESTER COUNTY,

Plaintiff,

v.

ENERGY TRANSFER LP
ENERGY TRANSFER OPERATING, L.P.
SUNOCO LOGISTICS PARTNERS OPERATIONS, L.P.
SUNOCO PIPELINE, L.P.,

Defendants.

CONSENT DECREE

INTRODUCTION

THE PARTIES

1. The Parties to this Consent Decree are the Commonwealth of Pennsylvania, upon relation of Deborah S. Ryan, District Attorney of Chester County, Pennsylvania, as Plaintiff, and Energy Transfer LP, Energy Transfer Operating, L.P., Sunoco Pipeline, L.P. ("SPLP"), and Sunoco Logistics Partners Operations, L.P. ("SLPO"), hereafter all four entities collectively are referred to as "ET"), as Defendants.

2. Plaintiff District Attorney of Chester County is authorized under the Pennsylvania Clean Streams Law ("Pa.C.S.L."), 35 P.S. Section 691.601, to bring suits to abate certain activities or conditions declared by the Pa.C.S.L to be a nuisance, or which are otherwise in violation of the Pa.C.S.L., and such proceedings may be prosecuted in the name of the Commonwealth upon relation of any District Attorney of any county and brought in the Court of Common Pleas of the county where the activities have taken place, the conditions exist or the public is affected.

PROthonARY
CHESTER CO., PA.
Civil Action No.

2021-02716-TT

3. Defendant ET is the owner and/or operator of pipelines within the Commonwealth of Pennsylvania used to transport petroleum and natural gas liquid (“NGL”) products. Defendant ET has undertaken efforts to upgrade, repurpose, and expand certain existing pipelines for NGLs within the Commonwealth of Pennsylvania, and install new pipelines, including through Chester County, Pennsylvania. These efforts, including but not limited to, throughout Chester County, Pennsylvania, include upgrades and maintenance to the existing Mariner East I Pipeline (“MEI”), in addition to the construction of the Pennsylvania Pipeline Project – Mariner East II and IIX (“PPP-ME2 and PPP-ME2X”). The MEI, PPP-ME2, and PPP-ME2X pipelines, collectively referred to as the “Mariner East Pipeline System,” include, but are not limited to, pipeline planning, creation, construction, installation and/or maintenance and operation activities within Chester County, Pennsylvania. This Consent Decree does not apply to any of the aforementioned activities occurring outside of Chester County.

JURISDICTION AND VENUE

4. This Court has jurisdiction over the parties and over the subject matter of this action pursuant to the Pennsylvania Clean Streams Law, 35 P.S. Sections 691.101, 301, 401, 601, and 611.

5. Venue is proper in the Court of Common Pleas of Chester County because the Plaintiff District Attorney’s Office is located in West Chester, Chester County, Pennsylvania, and the Defendants have been: a) conducting and continue to conduct construction and other activities within Chester County, and b) where Defendants have committed a substantial part of the alleged violations identified in the Complaint filed simultaneously with this Consent Decree as further defined in paragraph 24 herein, in connection with the Mariner East Pipeline System.

6. For purposes of this Consent Decree, that constitutes the settlement agreement between the parties ("Consent Decree") or any future action to enforce this Consent Decree, the Defendants consent to this Court's jurisdiction over this Consent Decree and consent to venue in this judicial district, that is, the Court of Common Pleas of Chester County.

7. Other than the jurisdiction and venue provisions of this Consent Decree, the Defendants deny any factual allegations and conclusions of law contained in this Consent Decree and the Complaint, and deny that Defendants have violated any provisions of the Pennsylvania Clean Streams Law.

8. The Parties recognize, and the Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith and will avoid litigation among the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties, it is HEREBY ADJUDGED, ORDERED AND DECREED, as follows:

GENERAL COMPLIANCE REQUIREMENTS

9. This Consent Decree in no way affects or relieves Defendants of their responsibility to comply with all applicable Federal, State and local laws, regulations, and permits, relating to the Mariner East Pipeline System. Defendants shall use their reasonable, diligent and professional efforts to operate all construction and other activities in connection with the Mariner East Pipeline System with the goal of maintaining compliance with all Federal and State environmental laws, and any and all permits, approvals and regulations issued by PA DEP.

PERMITS ISSUED BY PA DEP

10. In order to construct, install, and conduct pipeline activities of PPP-ME2 and PPP-ME2X within Chester County, Pennsylvania, Defendant SPLP has obtained the following permits, among others, from the Pennsylvania Department of Environmental Protection ("PA DEP"):

- a) An Erosion and Sediment Control Permit, Permit Number ESCG0100015001, pursuant to 25 Pa. Code, Chapter 102, and
- b) A Water Obstructions and Encroachment Permit, Permit Number E15-862, pursuant to 25 Pa. Code, Chapter 105.
- c) Permit Number E15-862 contains a condition stating:

The Permittee shall construct and operate the Horizontal Directional Drilling ("HDD") crossings at wetlands, streams and floodwaysin a manner to prevent a release of drilling fluid to Regulated Waters of this Commonwealth ("RWC"). The Permittee shall immediately notify the Department [PA DEP] at 866-825-0208 in the event of an Inadvertent Return occurring, and immediately activate and implement the Pollution Prevention Control Plans (PPC Plans) including the HDD Inadvertent Return Contingency Plan (IRCP), Water Supply and Karst PPC Plans to prevent any impacts to RWC or other natural resources.

11. The work for the PPP-ME2 and PPP-ME2X in Chester County, Pennsylvania, includes, but is not limited to, approximately 23 miles of pipeline construction and other activities. A portion of the construction, pipeline installation and other activities within Chester County involve Horizontal Directional Drilling ("HDD").

INADVERTENT RETURNS ("IR")

12. For purposes of this Consent Decree, an Inadvertent Return ("IR") is a discharge of drilling fluids either to uplands, surface waters, wetlands or other Waters of the Commonwealth, associated with HDD or other trenchless pipeline construction methodologies.

13. IRs are alleged to violate the Water Obstructions and Encroachment Permit, Permit Number E15-862, pursuant to Pa. Code, Chapter 105 and are further alleged to constitute a violation of the PA Clean Streams Law, 35 P.S. Section 691.301.

ACTIVITIES ALLEGED TO CONSTITUTE A PUBLIC NUISANCE

14. On or about June 14, 2017, the Defendants commenced HDD drilling operations in and around the Shoen Road Drill Area.

15. It is alleged that on or about July 4, 2017, through on or about July 10, 2017, the Defendants activities directly caused an interference in and adverse impacts to the private water supplies of approximately fourteen (14) residents in the vicinity of the Shoen Road Drill Area, causing their drinking water to suffer with cloudy water, high turbidity water, distasteful water, discolored water, a loss of water pressure, and a diminution of water availability.

16. The term "Pollution" is defined in the Pennsylvania Clean Streams Law, 35 P.S. Section 691.1, as follows:

"Pollution" shall be construed to mean contamination of any waters of the Commonwealth such as will create or is likely to create a nuisance or render such waters harmful, detrimental or injurious to public health, safety or welfare, or to domestic, municipal, commercial, industrial, agricultural, recreational, or other legitimate beneficial uses, or to livestock, wild animals, birds, fish or other aquatic life, including but not limited to such contamination by alteration of the physical, chemical or biological properties of such waters, or change in temperature, taste, color or odor thereof, or the discharge of any liquid, gaseous, radioactive, solid or other substances into such waters....

17. In a Consent Order and Agreement for the Shoen Road Drill Area, PA DEP alleged that the fourteen (14) homeowners had water wells that draw their water from "groundwater," and that "groundwater" is a Water of the Commonwealth within the meaning of the PA Clean Streams Law, 35 P.S. Section 691.1. See July 24, 2017 Consent Order and Agreement, Paragraph H.

18. PA DEP alleged that Defendant SPLP's activities adversely impacted the well water of the fourteen (14) homeowners in the Shoen Road Drill Area. *See* July 24, 2017, Consent Order and Agreement, Paragraphs G through P.

19. PA DEP alleged that the Defendants' activities in the Shoen Road Drill Area constitute a "nuisance," pursuant to 35 P.S. Sections 691.301, 401, 601.

20. On or about September 2017 through in or about January 2021, Plaintiff alleges that the following events occurred, and further alleges that these events presented an unreasonable interference with rights common to the public, and therefore constitute a public nuisance, and further alleges that these events were violations of the terms and conditions of SPLP's permits for PPP-ME2 and PPP-ME2X, and further alleges that these events were violations of the Pennsylvania Clean Streams Law, and further alleges that these events caused pollution and potential pollution to uplands, contamination to homeowner drinking water wells, and pollution and potential pollution to wetlands in and around Chester County, Pennsylvania, including but not limited to the following:

- a) On or about October 25, 2017, an IR occurred and discharged approximately 500 gallons of drilling fluids into an upland area of a homeowner's rear yard located at 439 Gateswood Drive, in East Goshen Township, Chester County, Pennsylvania.
- b) On or about November 3, 2017, the PA DEP issued a Notice of Violation to SPLP for the IR that occurred on October 25, 2017.
- c) On or about November 11, 2017, an IR occurred and discharged a quantity of drilling fluids onto a homeowner property located near 479 Lisa Drive, in West Whiteland Township, Chester County, Pennsylvania. Ground subsidence also occurred at this location.

- d) A ground subsidence is a gradual settling or sudden sinking of the ground surface that includes sinkholes, erosion and/or a collapse of the ground surface caused by, among other things, underground drilling.
- e) On or about November 16, 2017, the PA DEP issued a Notice of Violation to SPLP for the IR which occurred on November 11, 2017.
- f) On or about November 11, 2017, an IR occurred resulting in the loss of approximately 1,500 gallons of drilling fluids near Village Square Drive, in East Goshen Township, Chester County, Pennsylvania.
- g) On or about November 27, 2017, the PA DEP issued a Notice of Violation to SPLP for the IR that occurred on November 11, 2017.
- h) On or about December 21, 2017, an IR occurred resulting in the discharge of drilling fluids onto an upland area along Herman O. West Drive in Uwchlan Township, Chester County, Pennsylvania.
- i) On or about January 8, 2018, the PA DEP issued a Notice of Violation to SPLP for the IR that occurred on December 21, 2017.
- j) On or about November 1, 2018, grouting activities resulted in the discharge of an unknown quantity of grout into Wetland WL-Q75 (PFO), located near the Pennsylvania State Turnpike, in Upper Uwchlan Township, Chester County, Pennsylvania.
- k) On or about November 16, 2018, the PA DEP issued a Notice of Violation to SPLP for the grouting event that occurred on November 1, 2018.
- l) On April 25, 2019, PA DEP issued a Notice of Violation to SPLP alleging that the following incidents occurred, among others: (1) on or about March 19, 2019, a

discharge of a hydraulic fluid to the ground surface in an upland area at HDD Site S-3-0350, located in the area of Glendale Road and Concord Avenue in Uwchlan Township, Chester County, Pennsylvania; (2) on or about March 22, 2019, an IR that resulted in the discharge of drilling fluids to the ground surface in an upland area at HDD Site S-3-0350 located in the area of Glendale Road and Concord Avenue in Uwchlan Township, Chester County, Pennsylvania; (3) on or about April 25, 2019, an unpermitted earth disturbance in excess of 5,000 square feet, at the intersection of Routes 82 and 30, in Coatesville, Chester County, Pennsylvania; (4) on or about April 15, 2019, a discharge of sediment-laden water off-site to an existing stormwater basin in the area of Ship Road and Concord Avenue in West Whiteland Township, Chester County, Pennsylvania; (5) on or about April 15, 2019, the commencement of drilling activities at HDD Site 510, located at North Chester Road in East Goshen Township, Chester County, Pennsylvania, without providing the required 24-hour advance notification of drilling activities through the PA DEP OGRE online system (Oil and Gas Reporting Electronic). On May 9, 2019, SPLP submitted to PA DEP a response to the April 25, 2019 Notice of Violation contesting each of these allegations.

- m) In or about June 2019, one of defendant SPLP's pipelines was observed to be exposed in West Whiteland Township, Chester County, in a residential area adjacent to an unnamed tributary to Valley Creek, a Regulated Water of the Commonwealth. That pipeline was in refined petroleum products service (not NGL). Additionally, a previously abandoned section of pipe was also observed to

be exposed in the same vicinity. On or about August 1, 2019, PA DEP issued a Permit to defendant SPLP to commence construction activities at the site to replace and lower the exposed pipeline, and remove the abandoned section of pipe. Defendant SPLP completed these activities on or about September 20, 2019.

- n) On or about September 24, 2019, the Defendant SPLP combined two separate Horizontal Directional Drilling sites, that is, HDD 520 and HDD 530, which PADEP alleged to be a violation of SPLP's permits, and which were the subject of a PA DEP Notice of Violation issued on November 7, 2019.
- o) On August 10, 2020, an IR occurred at HDD 290 that resulted in the discharge of drilling fluids to a wetland, streams, and Marsh Creek Lake, in Upper Uwchlan Township, Chester County. On August 11, 2020, an earth feature developed within Wetland WL-H17 in the vicinity of the IR. These events were subject to a Notice of Violation issued by PA DEP on August 20, 2020.

21. As a result of all the above alleged incidents, Plaintiffs allege that Defendants have:

- a) presented an unreasonable interference with rights common to the public and that SPLP has violated its permits and the PA Clean Streams Law in connection with the construction of PPP-ME2 and PPP-ME2X, b) caused pollution and potential pollution to residential uplands,
- c) caused contamination to homeowner drinking water wells, and d) caused pollution and potential pollution to wetlands and Regulated Waters of the Commonwealth in and around Chester County, Pennsylvania, all of which is alleged to constitute a statutory and public nuisance under the Pennsylvania Clean Streams Law.

EFFECTS OF THIS CONSENT DECREE

22. This Consent Decree shall resolve and settle all claims alleged against the Defendants resulting from their conduct and activities in connection with the "Mariner East Pipeline System" by the Chester County District Attorney's Office, as alleged in the Complaint against the Defendants to be filed simultaneously with this Consent Decree.

23. This Consent Decree shall not bind or limit in any way PA DEP, or any other administrative agency of the Commonwealth of Pennsylvania, from taking any and all appropriate action under their authority against Defendants for any unlawful activities of Defendants in connection with the Mariner East Pipeline System within Chester County that have occurred in the past or may occur in the future.

24. Concurrent with the filing of this Consent Decree, the Chester County District Attorney's Office has filed a Complaint in this action against Defendants Energy Transfer, L.P., Energy Transfer Operating, L.P., Sunoco Logistics Partners Operations, L.P. and Sunoco Pipeline L.P., resulting from Defendants' conduct and activities in connection with the Mariner East Pipeline System.

25. The Complaint alleges that the Defendants have committed numerous violations of the Pennsylvania Clean Streams Law, 35 P.S. Sections 691.1 (definitional section), 691.301 (prohibition against discharge of industrial wastes), 691.401 (prohibition against other pollutions), 691.402 (potential pollution) 691.601 (abatement of nuisances) and 691.611 (unlawful conduct).

26. It is alleged that the incidents contained in this Consent Decree constitute unlawful conduct under the Pennsylvania Clean Streams Law, 35 P.S. Section 691.611, and a statutory nuisance under the Pennsylvania Clean Streams Law, 35 P.S. Section 691.601.

27. This Consent Decree is not a permit, or modification of any permit, under any Federal, State or Local laws or regulations. Defendants shall remain responsible for achieving and maintaining compliance with all Federal, State, and Local laws, regulations and permits. The Defendants' compliance with this Consent Decree shall not be a defense whatsoever for any violations or actions commenced by any Federal, State or Local agency pursuant to any such laws, regulations or permits.

28. This Consent Decree shall not be construed to create any rights in, or grant any cause of action to, any third party not a party to this Consent Decree. The Parties do not authorize any other persons to use the allegations or findings in this Consent Decree in any matter or in any proceeding. By execution of this Consent Decree, the Defendants release and shall hold harmless, the Chester County District Attorney's Office, their agents and employees, in their official and personal capacities, of any and all liability or claims whatsoever arising out of or otherwise related to, directly or indirectly, the negotiations leading to this Consent Decree, and any and all matters in any way related to the subject matter of this Consent Decree or the Complaint.

29. This Consent Decree shall not be construed to create any rights in, or grant any cause of action to, any third party not a party to this Consent Decree. The Parties do not authorize any other persons to use the allegations or findings in this Consent Decree in any matter or in any proceeding.

30. Defendants specifically deny all factual allegations and legal conclusions contained in this Consent Decree, and further deny liability for any claims that the Chester County District Attorney's Office may have against Defendants in connection with the Mariner East Pipeline System.

LIABILITY OF DEFENDANTS

31. The Defendants shall be liable for any violations of this Consent Decree, including those caused by, contributed to, or allowed by, directly or indirectly, its officers or employees. Defendants shall further be liable for any violation of this Consent Decree by any of its subsidiaries or assigns.

CORRECTIVE ACTIONS TO BE TAKEN BY DEFENDANTS

32. **OPERATIONS PLAN.** SPLP has adopted an Operations Plan (January 2018, as updated February 2020 and November 2020), to ensure that the construction and right-of-way restoration of PPP-ME2 and PPP-ME2X is conducted in a manner that is environmentally compliant and protects public safety, health, and welfare. The Operations Plan sets forth in detail the measures and controls that SPLP and its contractors will implement to ensure that all conditions of the PA DEP permits for PPP-ME2 and PPP-ME2X will be followed at all times. SPLP agrees to use its reasonable, diligent, and professional efforts to abide by and implement the Operations Plan in Chester County for the completion of the construction activities associated with PPP-ME2 and PPP-ME2X.

33. ENVIRONMENTAL AUDITS AND INSPECTIONS

- a) Defendants shall conduct environmental audits of SPLP's compliance with its PA DEP permits for the then-current construction of the PPP-ME2 and PPP-ME2X project within Chester County, Pennsylvania each six (6) month period from the date of this Consent Agreement until the construction of the PPP-ME2 and PPP-ME2X pipelines reaches the point that the pipelines are mechanically complete in Chester County. Defendants shall hire an independent, reputable, and qualified Environmental Auditor who shall not be an employee with Defendants, to be a

third party consultant with at least five years experience in the construction, installation, maintenance, safety and environmental issues and concerns associated with pipelines. An Environmental Audit Report shall be prepared based on the Environmental Auditor's findings and conclusions. All reports and recommendations of the Environmental Auditor must be signed by a professional engineer. A copy of each Environmental Audit Report shall be provided to the Chester County District Attorney's Office. The Environmental Audit Report(s) shall be maintained by the Chester County District Attorney's Office as Confidential Security Information not subject to disclosure to third parties under the provisions and procedures specified in "The Public Utility Confidential Security Information Disclosure Protection Act" (35 P.S. §§2141.1 to 2141.6) and the PUC's regulations implementing such Act at 52 Pa. Code §§102.1 -102.4. Despite the above non-disclosure to third parties language relating to Confidential Security Information contained in the Environmental Audit Reports, the Chester County District Attorney's Office shall be permitted and authorized to use any and all information contained in the Environmental Audit Reports as a basis for, or in support of, any action filed with the Court for non-compliance with this Consent Decree, but in doing so, must comply with the requirements of the Public Utility Confidential Security Information Disclosure Protection Act referenced above.

- b) Defendants shall bear all costs associated with each Environmental Audit.
- c) Defendants shall cooperate fully with the Environmental Auditor, and provide the Environmental Auditor with access to all records, employees, contractors and

Facilities that the Environmental Auditor deems reasonably necessary to effectively perform his or her duties.

- d) To the extent that the Environmental Audit Report identifies any incident of non-compliance with SPLP's PA DEP permits for the construction of the PPP-ME2 and PPP-ME2X project in Chester County, SPLP shall have the reasonable opportunity to cure such non-compliance within thirty (30) days (not including any time period required to obtain any approvals or permit modifications/amendments from PADEP or any other local, state, or federal agency, or any required landowner approvals), or such additional time period as agreed to by the Parties, before the Chester County District Attorney's Office takes any enforcement action under this Consent Decree.

34. ENHANCED COMMUNICATIONS REGARDING PPP-ME2 and PPP-ME2X

- a) From the date of this Consent Decree until the construction of the PPP-ME2 and PPP-ME2X pipelines reaches the point that the pipelines are mechanically complete in Chester County, SPLP will provide the following notifications:
- i. SPLP will provide notice of any IR event resulting from an HDD located in Chester County to the Chester County Conservation District, in accordance with the terms of SPLP's PA DEP permits;
 - ii. SPLP, through counsel, will provide email notification of any IR event resulting from an HDD located in Chester County to the Chester County District Attorney's Office;

- iii. SPLP will provide via email a weekly list of all construction activities on PPP-ME2 and PPP-ME2X that are planned to occur in Chester County to the Chester County Conservation District; and,
- iv. SPLP, through counsel, will provide via email a weekly list of all construction activities on PPP-ME2 and PPP-ME2X that are planned to occur in Chester County to the Chester County District Attorney's Office.

NOTICES/CORRESPONDENCE

35. Whenever notifications, submissions, reports or communications are required to be made under this Consent Decree, they shall be made in writing and addressed as follows:

Any Party may change or update its mailing address or other contact information by providing written notice to the other Party or Parties. Each Party shall be responsible for providing their current address and contact information on all notices, submissions, reports and communications, and further be responsible to notify all other parties as to any change of address or other contact information.

RETENTION OF JURISDICTION

36. The Court of Common Pleas of Chester County shall retain jurisdiction over this case until the termination of the Consent Decree, for the purpose of resolving all disputes arising under this Consent Decree, entering Orders modifying this Decree, or for effectuating and enforcing compliance with the terms and conditions of this Consent Decree.

MODIFICATIONS

37. No changes, additions, modifications or amendments of this Consent Decree shall be effective unless they are in writing and signed by all parties.

SIGNATORIES/SERVICE

38. Each of the undersigned representatives of each Defendant and the Chester County District Attorney's Office, certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Decree, and to execute and legally bind the Party or Parties that he or she represents in this Consent Decree.

INITIAL TERM OF CONSENT DECREE

39. The initial term of this Consent Decree shall be for the period that commences on the date that this Consent Decree is entered by the Court until construction of the PPP-ME2 and PPP-ME2X pipelines reaches the point that the pipelines are mechanically complete in Chester County. SPLP will notify the Chester County District Attorney's Office when the construction of the PPP-ME2 and PPP-ME2X pipelines reaches the point that the pipelines are mechanically complete in Chester County, at which time this Consent Decree, upon agreement of the parties, which will not be unreasonably withheld shall be terminated.

IT IS SO ORDERED BY THE COURT this ____ Day of _____, 2021.
