Excellent. Then please consider this my appeal. I received the letter saying there were no documents. However, there must be something because now it is being reported in major news outlets that Secret Service was involved. See <https://www.politico.com/news/2021/03/25/sources-secret-service-inserted-itself-into-case-of-hunter-bidens-gun-477879>

I have seen previous Secret Service reports regarding other individuals and I know that ya'll keep records of everything. I don't believe there are no records of this, so perhaps whoever searched looked in the wrong location. Please consider this my appeal of the denial. I believe there are records, or at a minimum, someone has records of this encounter to perhaps include cell phone records, emails, video footage, etc. Please let me know if there is anything else you need or if you need this in a formal letter.

Thanks in advance,
