**Subject:** The conference, what else

Hi Liz. I've been trying to think of ways to get the word out to everyone about the conference. Of course, registrations are slow coming in and as usual I'm worried..

Is it possible to advertise our program – or at least put a link to it - on your meetings page of your website or is that strictly EEI meetings. If it's possible, it would be a great way to get this advertised.

Just a thought.
