Phil emailed me yesterday expressing regrets that he couldn't make the conference because his office couldn't absorb the cost of changing his flight reservations.

So, he's coming now since you folks can now pick up his travel? Great!

I was planning on contacting Wisconsin Energy as they wanted me to recommend a rate of return witness for them, so I will mention this. No fooling!!

Commissioner Montgomery will be at the conference. He is replacing Patrice Douglas as a responder on Larry Brenner's panel Monday.

Ok, Bob, go to work on the new sponsor HAHA.
