Good morning,

Thank you for your quick response. I appreciate your querying the appropriate components. I am reiterating my willingness to narrow the request in order to expedite the production of the records I have requested, so please let me know if you would like to discuss ways to modify the request.

Could you please provide an estimate for when you expect to produce the requested records? The statutory deadline, even with the additional ten days the agency invoked, has now passed.

Thanks,
Lindsay

Dear FOIA Officer,

I write in reference to ICE FOIA Request 2021-ICFO-16929, and in response to your email dated 12/22/20. Based on my knowledge of DHS responses to other FOIA requests, I do not believe that this request is complex or that ICE is justified in invoking the additional ten days to respond to my request. Accordingly, I object on that basis. Nevertheless, I am willing to modify my request if it will allow ICE to respond to my request quickly. In order to do that, I need to speak to a FOIA officer to understand what type of modification would be helpful from the agency's perspective. Could we arrange to speak in the next few days to discuss what type of modification would be useful to the agency? I can be relatively flexible schedule-wise, so please let me know some times that work for you.

Thanks,
Lindsay

RE: ICE FOIA Case Number 2021-ICFO-16929

Dear Ms. Nash:

This acknowledges receipt of your November 9, 2020, Freedom of Information Act (FOIA) request to U.S. Immigration and Customs Enforcement (ICE), for various records regarding subpoenas and administrative arrest warrants issued by ICE officers from 2003 to present (see request for details). Your request was received in this office on November 9, 2020.

Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Per Section 5.5(a) of the DHS FOIA regulations, 6 C.F.R. Part 5, ICE processes FOIA requests according to their order of receipt. Although ICE's goal is to respond within 20 business days of receipt of your request, the FOIA does permit a 10- day extension of this time period. As your request seeks numerous documents that will necessitate a thorough and wide-ranging search, ICE will invoke a 10-day extension for your request, as allowed by Title 5 U.S.C. § 552(a)(6)(B). If you care to narrow the scope of

your request, please contact our office. We will make every effort to comply with your request in a timely manner.

Provisions of the FOIA allow us to recover part of the cost of complying with your request. We shall charge you for records in accordance with the DHS Interim FOIA regulations as they apply to educational requesters. As an educational requester, you will be charged 10 cents per page for duplication; the first 100 pages are free. We will construe the submission of your request as an agreement to pay up to \$25.00. You will be contacted before any further fees are accrued.

We have queried the appropriate program offices within ICE for responsive records. If any responsive records are located, they will be reviewed for determination of releasability. Please be assured that one of the processors in our office will respond to your request as expeditiously as possible. We appreciate your patience as we proceed with your request.

Your request has been assigned reference number **2021-ICFO-16929**. Please refer to this identifier in any future correspondence. To check the status of an ICE FOIA/PA request, please visit <http://www.dhs.gov/foia-status>. Please note that to check the status of a request, you must enter the 2021-ICFO-16929 tracking number. If you need any further assistance or would like to discuss any aspect of your request, please contact the FOIA office. You may send an e-mail to ice-foia@ice.dhs.gov, call toll free (866) 633-1182, or you may contact our FOIA Public Liaison, Fernando Pineiro, in the same manner. Additionally, you have a right to right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.
